The Astorian guarantees to its subexribers the largest circulation of any newspaper published on the Columbia

Advertising rates can be had on applieation to the business manager. The Weckly Asterian, the second oldest

weekly in the state of Oregon, has, next to the Portland Oregonian, the largest weekly circulation in the state.

Jno. F. Handley & Co., are our Porthead agents, and copies of The Astorian our be had every morning at their stand, IN Third street.

The "Astorian" hereby offers to donate other kind of "telegraphic press report," of the telegraph offices in Astoria, from for some of the inequalities of the Wilany point outside of Oregon. Astoria, Or., October 15, 1896.

Ex-President Harrison has evidently determined that for him at least the Santa Claus'll come tonight, post of honor is the private station and he possesses the faculty of saying what And do what you know is right. he wants to say in a manner at once so direct and conclusive as to leave no Down the chimney he will creep, doubt of his meaning. When he de- Bringing you a woolly sheep, cided not to be a candidate again for And a doll that goes to sleepthe presidency he said so in a dignified and convincing manner and he has just declined to be considered as a candidate for United States senator in the same unequivocal way. There are many people who will regret his determination to refuse all further public position, but they can but respect the motive which And a puzzle made of ringsprompts the refusal. That he can serve his country, as he says, by what he He will bring you cars that "go," may say or write on public questions while a private citizen, he has already demonstrated, and the country will be giad to hear from him in the future.

The Cascade Locks edition is a credit to the Oregonian and the state of Oregon. The event it commemorates is of national importance, and has attracted Santa grieves when you are bad, even international attention. The paper will go into the hands of thousands But it makes him very glad and thousands of people who never saw an Oregon newspaper before, and as He is wise, and he's a dear; an advertisement of the whole North- Just do right and never fear; west region its usefulness and influence He'll remember you each year, will be most widespread and incalculahas the great Columbia River basin olas, been so accurately and graphically portrayed, and the interest and curiosity of multitudes will be excited to learn Oregon has emerged from the dark feminine organism. Astoria does not occupy a more promi- ical Adviser." illustrated. nent position on the map of the Oregonian's great edition. But there will fit to treat with better favor.

THE TARIFF TO CUT A FIGURE.

Senutor Peffer's declaration in favor of free trade binds, of course, only himself, and comes in time to forward, and for the purpose of forwarding, his campaign for re-election. But it is likely to serve a broader purpose than that, to call attention afresh, indeed, to Popullstic teachings and professions on the

tariff question.

It was considered fortunate for the Baryanites that they were able to keep coughing would last hours with little the tariff question so much in the back- interruption, and it seemed as if sh. ground during the recent campaign, They saw their danger. The candidate's views on the tariff were quite as plain it was quick in its work, and highly as Mr. Peffer now makes his. Mr. Bry- satisfactors in its results." Trial botan is a free trader-quite as prominent as any man can be in this country.
