ROYAL CHINOOK SALMON FROM CALIFORNIA.

Last Wednesday's Oregonian contains a long article exploiting and commend- Blow, bugles of battle, the marches of ing the importation to this state, in the California state commission, of 3.000,000 Chinook(?) salmon eggs for the Sing the song of great joy that the Clackamas hatchery, from the hatchery located at Battle Creek, California. The Sing of glory to God and of good will following is one of the paragraphs from

"For the benefit of the cannerymen The heavens bending o'er us! "and fishermen here, who have objected The dark night is ending, and dawn has "to the introduction of California salmon eggs into the Columbia, on the "ground that it would result in a dete- No trumpet blast profaned "Fletcher stated yesterday to an Orefrom the Battle Creek station were all taken Earth's silver rivers on that sacred "from large-size chinook, which would "rival in size the fish of the Columbia, But, o'er the peaceful plain, "the females averaging 36 pounds, The war horse drew the heaven-loaded 'while the males range! between 10 and '60 pounds. This should placate the Oregon fishermen who have objected "to the California fish being brought here. If it is true, as some say, that it "is a peculiarity in the waters of the "natives, the conditions being the "same."

Have the cannerymen and fishermen of the Columbia river been made the free trial at Chas, Rogers' Drug Store. victims of another bold and fraudulent conspiracy on the part of the slush-lish ers from the ignorance and incompe-Oregon? First, the chinook fry in the riously poisoned, and then somebody occupies a column in the Oregonian in an attempt to make the world believe that the great chinook salmon has become extinct and Oregon is forced to Electric Bitters has proved to be the very ifornia to stock the Columbia river!

it? Who is this man Fletcher that the cases of habitual constipation Electric California pasters to kindly send up Bitters cures by giving the needed tone Chas. Rogers. here to take charge of the Oregon fish- to the bowels, and few cases long resist tle about salmon as to answer the fee- Fifty cents, and \$1.00 at Chas. Rogers' ble objections of Oregon people to the Drug Store. introduction of California's coarse and inferior fish into their waters by sayabout salmon, or else he is presuming money. on the ignorance of the great mass of the people that there is any difference in the varieties of that fish. What has the question of size got to do with the quality of salmon? Does Mr. Fletcher think a whale would be as delicate sores, tetter, chapped hands, chilblains, eating as a Columbia river smelt if corns, and all skin eruptions, and poswhales could be propagated in the Columbla river? If the Clackamas hatch- It is guaranteed to give perfect satisery had been established to breed large faction, or money refunded. Price, 25 salmon for the Columbia river, couldn't we get all we wanted for that purpose from Tillamook, Nehalem, or any one age many pounds more in weight than make hay at all they will make it now. the famous chinook of the Columbia? It is absolutely scandalous the way

posing the fraudulent practices of Chas. Rogers.

outside packers, and at the same time sducating consumers as to the incomparable merits of Columbia river salmon, our cannerymen and fishermen spend their time in bickering over the division of the meagre and diminishing profits left to an industry whose product when once rightly appreciated by the public could have no competitor in any market. The British Columbia packers have forced Columbia river salmon out of the markets of Europe, simply because our packers made no effort to retain them. While the Alaska ent by mail per year, \$1 in advance, and California packers have pretty nearly done the same thing at home by first putting false labels on their pseudo salmon, and then, becoming bolder, in eation should be directed to the editor, the face of the utter impotency or in-Business communications of all kinds difference manifested by the Columbia and remittances must be addressed to river men, these outside packers have actually stolen the classification which once distinguished our salmon at home scribers the largest circulation of any and abroad, until even Oregon's own newspaper published on the Columbia fish commissioner commits the blunder in his last report of discoursing on the chinook salmon of California, Puget

Sound and Alaska! This scheme of Mr. Fletcher's-In weekly in the state of Oregon, has, next which, to do the man justice, he may possibly be playing the part only of an innocent tool, certainly looks fishy, in more senses than one, and it is to be land agents, and copies of The Asterian hoped that the Columbia River Packers' Association will take steps at once to have it investigated. These California The "Astorian" hereby offers to donate the Columbia river, and the misfor-ONE HUNDRED DOLLARS to St. Mary's Rospital, payable on demand to Father Dielman, whenever legal evidence is produced showing that any afternoon news-paper published in Asteria has printed by sending them back to California. within the last ninety days expiring be-fore this offer a single "special" or clamor, but the more and louder it comes the better; for the agitation will not only serve to apprise the country that the Columbia river is the only hab-Itat of the chinook salmon, but it will also expose the dishonest methods of outside packers who, having successful-Once more today the curtains of ly crippled our cannerymen in nearly time are relied back and all nations every other direction, are now resorting celebrate the birth of Him whose life to the diabolical plan of poisoning our purpose is written above. The shortest native fish and polluting our hatcheries verse in the bible expresses only that by the introduction of a bastard speexcess of love, which wept in sympathy cies of fish brought from the warm wa-

#### The man who thinks

there "lan't much to see along the Burlington Route's New Short Line to Omaha, Kansas City. St. Louis and Chicago, is mistaken.

> train leaves Billings, It enters the great Crow Reservation. At Garryowen, an excellent view of Custer Monument and Battlefield is had. At Sheridan begins the famous irrigated district of northern Wyoming. Near Moorcroft, the "Devil's Tower" lifts its huge bulk 800 feet above the plain. Then come the Black Hills, and after

Half an hour after our

them, Nebraska's fertile farms. Our other line (from St. Paul to Chicago and St. Louis), is known as the "Mississippi Scenic Line." For more than 300 miles it parallels the banks of the great "Father of

Waters." A. C. SHELDON, G. A., Portland, Oregon.
