and indolent ulcers can be readily cured by DeWitt's Witch Hazel Salve, Pa., "Herald:" Richard the great pile cure. Chas. Rogers,

not result from any lack of confidence in the incoming government.

portune time.

The tax-payers throughout the state of Oregon will not only regret the delay in the legislature which postpones the election for United States senator until February 2d, but undoubtedly have good grounds for complaint against their representatives who have so foolishly permitted such a state of affairs to come about.

Dun's weekly report, published today. must shut up the complaints of the pessimists. It is a matter for congratglation that there is no crazy excitement, but that the deliberate judgment of the ablest and most prudent men ulate the bowels and kidneys will find in business will gradually develop the the true remedy in Electric Bitters. This new confidence through easier money medicine does not stimulate and conmarkets, larger orders, resuming mills, | tains no whisky or other intoxicant, but expanding employment and enlarged acts as a tonic and alternative. It acts distribution of products.

Every Astorian should be prepared to gans, thereby aiding nature in the perpave the way for our prosperous the at Chas. Rogers' Drug Storm. growth, and even if we are poor, means can be found to meet, half way, propcess then, must as surely follow as day ers out of sight. succeeds the night.

From presesnt prospects it is and less than one bottle did the busimore than likely that before another ness. I shall use it when in need of legislature meets in this state the city any medicine and I recommend it." will be in condition to push forward

the work, at whatever cost. No effort It will cost nothing to pass the bill, is no larger than a man's signet ring and when it is passed, it should be : upon the broadest lines possible, pro-

viding for every contingency, and without limitation as to cost or time.

WHAT WOULD MY CAPTAIN SAY?

From Harper's Round Table. Frederick the Great of Prussia used to tell a laughable story of an experience of his own. During one of his campaigns in Silisia, he made it his habit to stroll through his camp in disguise at night, to come more in touch with his soldiers. One night he was stopped by a sentry, but, giving the proper password, was permitted to
