Sunday of diphtheria, was buried at Knappa yesterday. The most attractive and inexpensive light furniture of bamboo made to or- der at 618 Commercial street. It is said that the China lily, which bloom before the China new year, will bring good luck to their owners. Family tickets between Warranton, Flavel and Astoria will hereafter be sold by Agent Stone at the Telephone dock. The trial of the Jeff case was fin- iahed in the police court yesterday af- ternoon, and after lengthy argument If your tea is good, it is cheap; if it is not good, it is dear, no matter what you	equalization. Of particular interest are the figures shown for each school dis- trict. Mr. Adams, of Montana, visited Fia- vel Saturday with Mr. Hammond, and is making a thorough investigation of Astoria and its future prospects. He says he has not yet made up his mind whether to invest here or not, much depending upon what will be done in the immediate future by the city to- wards internal and general improve- ments. Mr. Adams is a very conserva- tive man, and believes in taking things slowly and carefuliy. Children's school hosiery 15c at Dun- bar's clearance sale. They are the 25c quality. Captain Gregory, of the Manzanita, who has just returned from the Sound country, says that on this trip he met Captain Woody Sprague, who is well known on the Columbia river. While at Anacortes Captain Gregory visited the Foard & Stokes cannery, and he says they have a very fine plant. In Seattle he found the city infested with	large holdings and do nothing but wait for the country to build up around them. We have built up and improved the property, thereby creat- ing more taxes for the county. While bearing all of these burdens we ranchers have expended on this road over \$4,000, and the county has expended nearly as much more making in all about \$5,000, and now when the only thing needed is the bridging of one stream to make all of this country available to the city and country, a system of jealousy and individual selfishness crops out to try and subvert, delay and oppose the con- summation of the project. Petition after petition has been cir- culated, not by stealth or in private, but by advertising the petition in ad- vance, that the taxpayers all knew just what they were signing. But here comes a point as to what kind of a bridge the petitioners asked for. It was generally understood that a good pile treatle with wooden draw 70 or 75 feet would fill all the requirements.	 1897, at 2 o'clock p. m., for the sale of "Astoria Municipal Bonds," in the sum of \$\$5,000.00, for twenty years' time, and to bear interest at the rate of 5 per cent per annum, and \$\$5,000.00 for twenty 'five years' time and to bear interest at the rate of 5 per cent per annum, interest to be payable semi-annually. The right to reject any and all bids is hereby reserved. By order of the common council. Attest: H. E. NELSON, Auditor and Police Judge. Astoria, Oregon, January 18, 1897. CURE FOR DIPHTHERIA. The Scientific American gives this recipe, which the whole world ought to know: At the first appearance of diphtheria in the throat of a child, make the room close, then take a tin cup and pour into it a quantity of tar and turpentine, equal parts. Then stir the contents with a red hot iron, so as to fill the room with fumes. The little patient, on inhaling the fumes, will cough up and split out the membraneous matter and the diphtheria will pass out. The fumes of the tar and turpention. 	an anternet. It is the whole of the material used in the manufacture of Marshall's twine-from start to finish. Go there and examine the color right through. You will see then why Marshall's is called the best in the world. NOTICE TO SHIPPERS. After January 1st, 1897, freight charges must be prepaid to all stations on the A. and C. R. R. R. where the company has no agents. C. F. LESTER, Superintendent. The casiest way to gain the appearance of wisdom is to wear spectacles. TO CURE A COLD IN ONE DAY Take laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25c, For sale by Chas. Rogers, Druggist. Sunday of diphtheria, was buried at Knappa yesterday. The most attractive and inexpensive light furniture of bamboo made to or- der at 618 Commercial street. It is said that the China lily, which bloom before the China new year, will bring good luck to their owners. Family tickets between Warranton, Flavel and Astoria will hereafter be sold by Agent Stone at the Telephone dock. The trial of the Jeff case was fin- ternoon, and after lengthy argument If your tea is good, it is cheap; if it is not good, it is dear, no matter what you pay for it—you had better drink water. But good tea is better than water sometimes, be- cause it tastes good makes the stomach work right.	equalization. Of particular interest are the figures shown for each school dis- trict. Mr. Adams, of Montana, visited Fia- vel Saturday with Mr. Hammond, and is making a thorough investigation of Astoria and its future prospects. He says he has not yet made up his mind whether to invest here or not, much depending upon what will be done in the immediate future by the city to- wards internal and general improve- ments. Mr. Adams is a very conserva- tive man, and believes in taking things slowly and carefully. Children's school hosiery 15c at Dun- bar's clearance sale. They are the 25c quality. Captain Gregory, of the Manzanita, who has just returned from the Sound country, says that on this trip he met Captain Woody Sprague, who is well known on the Columbia river. While at Anacortes Captain Gregory visited the Foard & Stokes cannery, and he says they have a very fine plant. In Seattle he found the city infested with footpads and thieves, One gentieman's room was entered and robbed of a watch and money during the captain's stay of a day. It was learned yesterday that at the instance of the new populistic gov- ernor of Washington, a bill is being framed at Olympia to entirely do	large holdings and do nothing but wait for the country to build up around them. We have built up and improved the property, thereby creat- ing more taxes for the county. While bearing all of these burdens we ranchers have expended on this road over \$4,000, and the county has expended nearly as much more making in all about \$5,000, and now when the only thing needed is the bridging of one stream to make all of this country available to the city and country, a system of jealousy and individual selfishness crops out to try and subvert, delay and oppose the con- summation of the project. Petition after petition has been cir- culated, not by stealth or in private, but by advertising the petition in ad- vance, that the taxpayers all knew just what they were signing. But here comes a point as to what kind of a bridge the petitioners asked for. It was generally understood that a good pile treatle with wooden draw 70 or 75 fort would fill all the requirements. For the sake of good health use DECEO LEDEC Better than lard for.	 1897, at 2 o'clock p. m., for the sale of "Astoria Municipal Bonds," in the sum of \$5,000.00, for twenty years' time, and to bear interest at the rate of 5 per cent per annum, and \$5,000.00 for twenty five years' time and to bear interest at the rate of 5 per cent per annum, interest to be payable semi-annually. The right to reject any and all bids is hereby reserved. By order of the common council. Attest: H. E. NELSON, Auditor and Police Judge. Astoria, Oregon, January 18, 1897. CURE FOR DIPHTHERIA. The Scientific American gives this recipe, which the whole world ought to know: At the first appearance of diphtheria in the throat of a child, maks the room close, then take a tin cup and pour into it a quantity of tar and turpentine, equal parts. Then stir the contents with a red hot iron, so as to fill the room with fumes. The little patient, on inhaling the fumes, will cough up and split out the membraneous matter and the diphtheria will pass out. The fumes of the tar and turpentine loosen the matter in the throat, affording the relief that has baffled the skill of physicians. ASTORIA GOES AHEAD. 	an andernet. It is the whole of the material used in the manufacture of Mar- shall's twine-from start to finish. Go there and examine the color right through. You will see then why Mar- shall's is called the best in the world. NOTICE TO SHIPPERS. After January 1st, 1897, freight charges must be prepaid to all stations on the A. and C. R. R. R. where the company has no agents. C. F. LESTER, Superintendent. The castest way to gain the appear- ance of wisdom is to wear spectacles.
