(From the San Francisco Argonaut.)
"In the heart of the great desert of the Colorado-which the Southern Pacific traverses-there is an oasis called Indio. which, in our opinion, is the sanitarium there is no spot on this planet so favor able.

G. T. Stewart, M. D., writes: "The Nature has accomplished so pléasant, a perfectly dry soil, for rain is an unknown factor; pure oxygen, dense atmosphere and pure water. What more can be desired? It is the place, above all others, for lung troubles, and a paramending this gental casts as the haven of the afflicted."
