REMARKS BY THE BOARD:
 The Board of Health has received reports from the health officers of the various wards of the city, showing that the prevalence of influenza is still continuing, and that the mortality has not yet subsided. It is therefore recommended that the health officers continue to exercise the most vigilant supervision over the public health, and to take such measures as may be necessary to prevent the further spread of the disease.

AROUND TOWN.
 The Astorian has received a copy of the new book, "The Story of the World," published by the World Book Company. This book is a comprehensive history of the world, from the beginning of time to the present day. It is written in a clear and concise style, and is suitable for use in schools and libraries. The book is now on sale at the Astorian Book Store.

WESTERN SWIM
 The Western Swim is a popular water sport that is enjoyed by many people in Astoria. It is a simple and easy-to-learn activity that can be done in a pool or in the ocean. The Western Swim is a good way to stay in shape and enjoy the outdoors. It is also a great way to spend time with friends and family.
