The Philadelphia Press has thrown A strong side-light on the political situntion by an analysis of the party complexion of the state legislatures of the United States, which serves to bring in the ninth century they began to embrace 2,659 republicans, 564 demo- horses in that way. crast, and one fusionist-not a single straight populist. In the legislatures of the thirteen states of the West, beyond the limits of the above states, there are 467 republicans, 265 democrats, 213 fusionists and 316 populists. In the legislatures of the fourteen Southern states there are 1,389 democrats, 367 republicans, and 204 populists. The totals foot up as follows: Republicans, £416; democrats, 2,205; fusionists, 214, and populists, 639. The republican total is far above that of all the opposition combined, thus showing the real insignificance and local nature of populism, and the inherent weakness of the democratic party on a national fac-
