

THE WEEKLY ASTORIAN

Established 1873

Advertisers Who Wish to Reach the Country People

should call to their aid the columns of the Weekly Astorian. There are several reasons why the Weekly Astorian's circulation is so large. One is that its columns contain more reading matter than any other paper in Oregon excepting a Portland publication.

The News of the World

foreign, interstate and local, is published in its columns. It is absolutely reliable; hence its popularity. The Weekly Astorian contains 56 columns of reading matter every week. Just think! All the news of the world for \$2 a year. If you are not a subscriber to this great paper you should send in your name at once.

Second Oldest Paper in the State

As an advertising medium the Weekly Astorian is unsurpassed by any paper in the State outside of Portland. Thirty-three hundred copies are mailed each week to every home in the territory, both in Oregon and Washington, tributary to the City of Astoria.

I never intend being without Simmons Liver Regulator."
