

THE WEEKLY ASTORIAN

Established 1873

Advertisers Who Wish to Reach the Country People

should call to their aid the columns of the Weekly Astorian. There are several reasons why the Weekly Astorian's circulation is so large. One is that its columns contain more reading matter than any other paper in Oregon excepting a Portland publication.

The News of the World

foreign, interstate and local, is published in its columns. It is absolutely reliable; hence its popularity. The Weekly Astorian contains 56 columns of reading matter every week. Just think! All the news of the world for \$2 a year. If you are not a subscriber to this great paper you should send in your name at once.

Second Oldest Paper in the State

As an advertising medium the Weekly Astorian is unsurpassed by any paper in the State outside of Portland. Thirty-three hundred copies are mailed each week to every home in the territory, both in Oregon and Washington, tributary to the City of Astoria.

It is understood that the City of Madras, now in Portland, will soon go to the Sound in ballast.

Hope is expressed that the T. F. Oaks that sailed from Hongkong for New York July 4, 1896, will yet arrive safely.

There are now only four deep sea vessels in Portland and three in Astoria, and this number will soon be diminished.

THE COMING OF BABY.

When a baby comes to the house real happiness comes. The care and anxiety count for nothing against the clinging touch of the little hands and the sound of the little voice. The highest function given to human beings is bringing healthy, happy children into the world. Over thirty years ago the needs of women appealed to Dr. Pierce, now chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, New York. The result of his study improved by thirty years of practice is embodied in Dr. Pierce's Favorite Prescription. It strengthens, purifies and makes healthy the organs distinctly feminine. It gives weak women the strength and health necessary for the production of healthy children and it makes the bearing of those children easy. It is sure to cure any weakness or derangement peculiar to women; stops pain, soothes inflammation, strengthens, purifies, invigorates.

It looks as if the powers hadn't even the courage to let little Greece jump in and do their own fighting for them.

TO CURE A COLD IN ONE DAY. Take laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25c. For sale by Chas. Rogers, Druggist.

When Greek meets Turk the powers stop in and spoil the fun. It's great mistake.

Chloro, Pa. "Herald." Richard Vessel reports One Minute Cough Cure the greatest success in medical science. He told us that it cured his whole family of terrible coughs and colds, after all other so-called cures had failed entirely. Mr. Vessel said it assisted his children through a very bad siege of measles. One Minute Cough Cure makes expectoration very easy and rapid. Chas. Rogers, Druggist.

Turkey turns to the powers with all the confidence displayed by the quarrel-producing youngster when he appeals to his big brother.

The U. S. Gov't Reports show Royal Baking Powder superior to all others.

It takes little Greece to show the powers how to get a move on.—Detroit Free Press.

A GOOD LETTER

From the clerk of the Circuit Court, Ferdinand, Fla., Feb. 28, 1896. Mr. J. George Suhrer, Druggist, City:—Dear George: Please send a bottle of Chamberlain's Cough Remedy. I would not feel easy if I knew there was none of this valuable remedy in the house. I have given it a fair test and consider it one of the very best remedies for croup that I have ever found. One dose has always been sufficient, although I use it freely. Any cold my children contract yields very readily to this medicine. I can conscientiously recommend it for croup and colds in children. Yours respectfully, GEO. E. WOLFF.

Now that Mary E. Lease has taken to writing poetry, she may in time become harmless.—Chicago News.

"This is the way I long have sought, And mourned because I found it not." Has been the poem of joy and satisfaction of many a traveler, who, after weary days of unpleasant experience with this, that or the other line, settles himself for a comfortable ride from Minneapolis or St. Paul to Chicago or Milwaukee in one of the elegant coaches of the Wisconsin Central lines. Then again, the inspired lines of the poet come to mind as he seats himself at the table in the dining car of this same Wisconsin Central and finds himself served with the best meal at a reasonable price. For particulars address Geo. S. Batty, general agent, 246 Stark street, Portland, Or., or Jas. C. Pond, general passenger agent, Milwaukee, Wis., or apply to your nearest ticket agent.

Going East? IF YOU ARE, DO NOT FORGET

Three Important Points

FIRST—Go via the St. Paul because the lines to that point will afford you the very best service. SECOND—See that the coupon beyond St. Paul reads via the Wisconsin Central because that line makes close connections with all the trans-continental lines entering the Union Depot there, and its service is first-class in every particular. THIRD—For information, call on your neighbor and friend—the nearest ticket agent—and ask for a ticket reading via the Wisconsin Central lines, or address JAS. C. POND, General Passenger Agent, Milwaukee, Wis. Or GEO. S. BATTY, General Agent, Portland, Oregon.

ROYAL Baking Powder. Highest of all in leavening strength — U. S. Government Report

It is nothing new for visitors in Chicago to "live on less than a dollar a week." But it is mighty risky business to jump board bills like that.

Don't allow the lungs to be impaired by the continuous irritation of a cough. It is easier to prevent consumption than to cure it. One Minute Cough Cure taken early will ward off any fatal lung trouble. Chas. Rogers.

Greece just at this stage of the game would be justified in asking for a change of umpire.

After fighting office-seekers three months Major McKinley probably will find the grip a pleasant diversion and an agreeable change.

The Spot Where Custer Fell.

is within plain view of the Burlington Route's track. The monument that marks his last resting place is little, if any, more than a mile distant. You get a good view of it in the train whirled eastward over the solidist, the smoothest, the best track ever built west of Chicago.

A pretty booklet, giving a brief account of the battle in which Custer lost his life will be mailed to anyone who will ask for it. Write for a copy. Write also for information about rates and trains via the Burlington Route to Omaha, Kansas City, St. Louis, Chicago and all the other southern and southeastern cities. A. C. SHELDON, G. A., Portland, Oregon.
