should call to their aid the columns of the Weekly Astorian. There are several reasons why the Weekly Astorian's circulation is so large. One is that its columns contain more reading matter than any other paper in Oregon excepting a Portland publication.

The News
of the
World

foreign, interstate and local, is published in its columns. It is absolutely reliable; hence its popularity. The Weekly Astorian contains 56 columns of reading matter every week. Just think! All the news of the world for \$2 a year. If you are not a subscriber to this great paper you should send in your name at once.

Second Oldest
Paper in
the State

As an advertising medium the Weekly Astorian is unsurpassed by any paper in the State outside of Portland. Thirty-three hundred copies are mailed each week to every home in the territory, both in Oregon and Washington, tributary to the City of Astoria.

The new launch Elford made a trial trip on the river yesterday and fully came up to the expectations of her builder.

The United States tender Manzanita arrived down the river yesterday and will go on the drydock for a general overhauling.

The steamer Harrison arrived Sunday afternoon from the Sound with a cargo of coal and machinery. She also brought around a quantity of clams.

The pilot schooner San José came in from outside the heads yesterday, probably for supplies. It is likely she will leave out again today, as her "trick" does not expire until March 15.

The steamer Queen will arrive down this morning to take in tow the Reliance, which is to load a partial cargo of wheat in Portland. The residue of her cargo will be lightered down the river in flat boats and taken on at this port. The Reliance is consigned to Meyer, Wilson & Co.

THE COMING OF BABY.

When a baby comes to the house real happiness comes. The care and anxiety count for nothing against the clinging touch of the little hands and the sound of the little voice. The highest function given to human beings is bringing healthy, happy children into the world. Over thirty years ago the needs of women appealed to Dr. Pierce, now chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, New York. The result of his study improved by thirty years of practice is embodied in Dr. Pierce's Favorite Prescription. It strengthens, purifies and makes healthy the organs distinctly feminine. It gives weak women the strength and health necessary for the production of healthy children and it makes the bearing of those children easy. It is sure to cure any weakness or derangement peculiar to women; stops pain, soothes inflammation, strengthens, purifies, invigorates.

Our old friends, chamber and drap dote, are coming to the fore again in the dress goods world.

A GOOD LETTER

From the clerk of the Circuit Court, Fernandina, Fla., Feb. 28, 1896.
Dear George: Please send a bottle of Chamberlain's Cough Remedy. I would not feel easy if I knew there was none of this valuable remedy in the house. I have given it a fair test and consider it one of the very best remedies for cough that I have ever found. One dose has always been sufficient, although I use it freely. Any cold my children contract yields very readily to this medicine. I can conscientiously recommend it for cough and cold in children. Yours respectfully,
GEO. E. WOLFE.

THE BEST IS NONE TOO GOOD.

There never was a truer saying than that "The best is not too good" when speaking of the accommodations for a long overland journey, and therefore it will be well for the traveler going east to remember that he will be very weary when he gets to St. Paul or Minneapolis, and that he should make a wise choice of routes from there to Chicago or Milwaukee. The Wisconsin Central trains run between these points making close connection with all trains at both terminals. Pooled travelers seek this route for many reasons, one of which is they can get a well cooked meal at a moderate price, and eat it at leisure as they speed to their destination. Address Geo. S. Batty, general agent, 246 Stark street, Portland, Oregon, or J. A. C. Pond, general passenger agent, Milwaukee, Wis., or apply to your nearest ticket agent.

The genuinely modish woman does not endeavor to cover her ears when her hair is dressed for evening affairs.

Minutes seem like hours when a life is at stake. Group gives no time to send for a doctor, delay may mean death. One Minute Cough Cure gives instant relief and insures recovery. The only harmless remedy that produces immediate results. Chas. Rogers, Druggist.

One authority says that women are more sensitive to color than men, while the latter have a superior sense of smell.

Torturing, itching, scaly skin eruptions, burns and scalds are soothed at once and promptly healed by De Witt's Witch Hazel Salve, the best known cure for piles. Chas. Rogers.

It is not generally known that moths are quite as averse to ordinary newspaper as to the specially prepared kind unpleasantly redolent of tar and camphor. One minute is all the time necessary to decide from personal experience that One Minute Cough Cure does what its name implies. Chas. Rogers.

The Boston Globe says: "Strawberries this year are not even so good as prunes." Then we shall stick for a while to what we have in our midst.

Meals on the European Plan

The dollar-a-meal method of operating dining cars is no longer in vogue on the Burlington Route. Something better has taken its place. Meals are now served on the European plan—you pay only for what you order.
The pay-for-what-you-order way is the only right way to run a dining car. It is in operation all over the Burlington system—
