MARINE NEWS.

The Columbine will try to get out today to do buoy work.

The Chikat cleared yesterday for coast points with a general cargo.

There was reported outside yesterday one square rigger and one three-masted bark, which afterwards entered the river.

There were few movements on the water front yesterday. The weather outside was still nasty, and there was nothing in or out of the harbor except a steamer.

The steamship Elder will arrive down this morning and sail for San Francisco with a large freight and passenger list. She will carry forty Chinese from Astoria and about twenty-five fishermen for the Alaska and British Columbia canneries. This will be the last run of the Elder for the present on the San Francisco-Portland route, as the Columbia will resume her place in the fleet.

A GOOD LETTER

From the clerk of the Circuit Court, Fernandina, Fla., Feb. 23, 1896. Dear George: Please send a bottle of Chamberlain's Cough Remedy. I would not feel easy if I knew there was none of this valuable remedy in the house. I have given it a fair test and consider it one of the very best remedies for croup that I have ever found. One dose has always been sufficient, although I use it freely. Any cold my children contract yields very readily to this medicine. I can conscientiously recommend it for croup and colds in children. Yours respectfully, GEO. E. WOLFF. Sold by Estes-Conn Drug Co.

European travel will be greater than ever this year.

When a man owns a blooded horse he is always careful of its health. He looks after its diet and is particular that the feeding shall be regular and right. While he is doing this it is likely as not that he is himself suffering from some disease or disorder. When the trouble gets so bad that he cannot work he will begin to give himself the care he gave the horse at the start. Good pure, rich red blood is the best insurance against disease of any kind. All most all diseases come from impure or impoverished blood. Keep the blood pure and strong and disease can find no foothold. That is the principle upon which Dr. Pierce's Golden Medical Discovery works. It cleanses, purifies and enriches the blood, puts and keeps the whole body in perfect order; makes appetite good, digestion strong, assimilation perfect. It brings ruddy, virile health. It builds up solid, wholesome flesh (not fat) when, from any cause, reduced below the healthy standard.

Love of reading is a great solace to weary hours.

Give a body meet a body
Cumin' frae the town,
Gin that body has a toddy
Underneath his gown;
Gin that toddy, sweet that body
Frae his forehead high,
'Tis the perspiration that is
Cumin' through the rye.
New York Herald.

Chicago, Pa., "Herald." Richard Vessel reports One Minute Cough Cure the greatest success in medical science. He told us that it cured his whole family of terrible coughs and colds, after all other so-called cures had failed entirely. Mr. Vessel said it assisted his children through a very bad stage of measles. One Minute Cough Cure makes expectoration very easy and rapid. Chas. Rogers, Druggist.
