The largest of the American battle ships, the fown, will have her official trial on March 2th. According to the present arrangements the vessel will leave the yard of the builders, the William Cramp & Sons Ship and Engine Building Co., at Philadelphia, at the first favorable opportunity, and go to the Brooklyn yard to be docked and sixty minutes can be crowded into an cleaned for her race against time. The vessel recently made 15.27 knots at sea on a private trial, with a foul hull, so there is no doubt she will exceed the contract requirement of 16 knots, and is confidently expected to make 17, thereby winning \$200,000 premium for her builders. All her guns have been mounted, except the twelve-inch rifles in the turrets, and the vessel, which is the first battleship to be fitted as fagship, will be added to the new navy in April.-Seaboard.

IMMIGRATION NOTES.

The Oregon and Washington boards are doing good work and should be liberally supported and encouraged. As a result of this work many eastern people are turning their attention to the Pacific Northwest. If the reader has any friends in the East who are likely to come here this year, send their names and addresses to the undersigned and I will see that they get a supply of the best literature and information as to this country.
