### The Favorite Home Remedy.

For all diseases caused by derangement of the Liver, Kidneys, and Stomach. Keep it always in the house and you will save time and Doctor's Bills, and have at hand an active, harmless and perfectly safe purgative, alterative and tonic. If you feel dull, debilitated, have frequent headache, mouth tastes badly, poor appetite and tongue coated, you are suffering from torpid liver or biliousness, and SIMMONS LIVER REGULATOR will cure you. If you have eaten anything hard to digest, or feel heavy after meals or sleepless at night, a dose of SIMMONS LIVER REGULATOR will relieve you and bring pleasant sleep. If at any time you feel your system needs cleansing and regulating without violent purging, take SIMMONS LIVER REGULATOR. J. H. Zellin & Co., Philadelphia.

When a man owns a blooded horse he is always careful of its health. He looks after its diet and its particular that the feeding shall be regular and right. While he is doing this it is likely as not that he is himself suffering from some disease or disorder. When the trouble gets so bad that he cannot work he will begin to give himself the care he gave the horse at the start. Good pure, rich red blood is the best insurance against disease of any kind. Almost all diseases come from impure or impoverished blood. Keep the blood pure and strong and disease can find no foothold. That is the principle upon which Dr. Pierce's Golden Medical Discovery works. It cleanses, purifies and enriches the blood, puts and keeps the whole body in perfect order; makes appetite good, digestion strong, assimilation perfect. It brings ruddy, virile health. It builds up solid, wholesome flesh (not fat) when, from any cause, reduced below the healthy standard.

As a woman loses her youth and beauty she tries to make up the loss in culture.

Isn't it lovely when a friend tries to tell you of the supposed to be sly doings of some one in whom you are interested, to be able to tell her that there is no secret about it, as you are already in possession of all the facts.

There are some women who are reminded that they are superior creatures every time a man takes off his hat to them.

#### A GOOD LETTER

From the clerk of the Circuit Court, Fernandina, Fla., Feb. 28, 1896. Mr. J. George Suhler, Druggist, City: Dear George: Please send a bottle of Chamberlain's Cough Remedy. I would not feel easy if I knew there was none of this valuable remedy in the house. I have given it a fair test and consider it one of the very best remedies for croup that I have ever found. One dose has always been sufficient, although I use it freely. Any cold my children contract yields very readily to this medicine. I can conscientiously recommend it for croup and colds in children. Yours respectfully, GEO. E. WOLFF. Sold by Estes-Conn Drug Co.

It is not difficult to make old people happy; show them someone twenty years older than themselves who is still in good health.

Don't allow the lungs to be impaired by the continuous irritation of a cough. It is easier to prevent consumption than to cure it. One Minute Cough Cure taken early will ward off any fatal lung trouble. Chas. Rogers.

Having company may mean the exercising of hospitable instincts to the women, but it means giving up the rocking chair to the men.

A man may dress as well as his own good judgment and the assistance of an artistic tailor may elect. He may take his "tubs," but if his digestive organs are out of order, he will have an unwholesome appearance. His complexion and the whites of his eyes will have a yellowish cast. His tongue will be coated, appetite poor, his teeth rusty, his breath abominable. He is one big, unmistakable sign of constipation.

The quickest, surest, easiest way to cure this trouble is to take Dr. Pierce's Pleasant Pellets. They are made of refined, concentrated vegetable extracts. Nothing in the least harmful enters into their composition. They hunt down all impurities, and "make them move on." They are the product of many years' study and practice. Dr. Pierce cannot afford to put forth a worthless article.

Some people are so mean that they make their politeness disagreeable.

The past winter is reported as the worst for wrecks in the records of disasters at sea. Twenty-three derelicts now dot the surface of the North Atlantic, including a dozen fore-and-afters from the New England ports, laden with lumber. These vessels are likely to keep afloat a long time, and are very dangerous to navigation. Many of the latter are known before they are wrecked and a list of them would be long and appalling.
