MENT NOTICE.

Notice is hereby given that the com-"The real aura," Mrs. Besant ex- mon council of the City of Astoria, yellow it is a sign that you are billous, of Commercial street extended, and that such improvement shall be made by special assessments upon the lands and premises hereinafter designated, and which are hereby determined and declared to be benefited by such improvement

That the lands and premises upon which the special assessment shall be levied to defray the costs and expense of such improvement is as follows, to-

tine, which said point is the intersection of said harbor line with a line drawn parallel to the west line of Dear George: Please send a bottle Twentieth street and 150 feet west boundary of blocks 123 and 124 to the southeast corner of lot 4, block 124 1, 2 and 3, block 130, lots 4, 5 and 6, block 124, lots 4, 5 and 6, block 129, together with the wharfing rights or frontage of and to lots 1, 2 and 3, block 130, lots 4, 5 and 6, block 129, and north of and adjacent to Twentieth street. all situace and being in that part of the city of Astoria known as Shively's Astoria. That such improvement shall consist in driving piles and placing thereon caps and stringers and planking sald street throughout the full width thereof with sound yellow fir planks, between sidewalks, said planks improved on the established grade; and in all matters of detail the improvement shall be according to the plans and specifications prepared for the same and in accordance with Ordinance No. 1961 relating to the improve-

nent of streets. Estimates of the expense of such Improvement and plans and specifications of such work or improvement, and of the locality to be improved, have been deposited by the City Surveyor with the Auditor and Police Judge for public examination, and and may be inspected at the office of such officer.

At the next regular meeting of the ommon council following the final publication of this notice, which meeting will be held on Friday, April 16, at the hour of 7:30 p. m., at the city hall, any objections that may be made to such improvement will be considred by the council, and if by the time of said meeting a remonstrance against such imporvement, signed by residents of the city owning more than one-half of the property in said district shall be flied with the Auditor and Police Judge, such improvement shall not be ordered, if at all, except by a vote of two-thirds of all member of the council.

By order of the Common Council. Attest: H. E. NELSON. Auditor and Police Judge. Astoria, Oregon, March 27, 1897.

INDIO

Absolutely Beginning at a point in the harbor Dry and Pure Tropical Climate

for sufferers from . . .

Lung Diseases and Rheumatism

Many Remarkable Cures

The objections urged against Indio in the past by the large numbers who otherwise would have been glad to take advantage of its beneficial climate, has been a lack of suitable accommodation. The Southern Pacific Company takes pleasure in announcing that several

> Commodious and Comfortable Cottages

have just been erected at Indio station that will be rented to applicants at reasonable rates. They are furnished with to be 4x12 inches, the sidewalks to modern conveniences, supplied with pure be 10 feet wide and the street to be artesian water and so situated as to give occupants all the advantages to be derived from a more or less protracted residence is this delightful climate.

> (From the San Francisco Argonaut.) Colorado-which the Southern Pacina travernes—there is an oasis called Indio, which, in our opinion, is the sanitarium of the earth. We believe, from personal investigation, that for certain individuals, there is no spot on this planet so favor-

> purity of the air, and the eternal sun-shine, fill one with wonder and delight.
>
> Nature has accomplished so much that there remains but little for man to do. As to its possibilities as a health recorf-here is the most perfect sunshine, with a temperature always pléasant, a perfectly dry soil, for rain is an unknown factor; pure oxygen, dense atmosphere and pure water. What more can be desired? It is the place, above all others, for lung troubles, and a para dise for rheumatics. Considering the number of sufferers who have been cured, I have no hesitancy in recom-mending this genial oasis as the haven of the afflicted."
