(From the San Francisco Argonaut.) "In the heart of the great desert of the Colorado-which the Southern Pacific traverses-there is an oasis called Indio, which, in our opinion, is the sanitarium of the earth. We believe, from personal investigation, that for certain individuals, there is no spot on this planet so favor-G. T. Stewart, M D., writes: "The purity of the air, and the sternal sun-

demmed and an appraisement of the shine, fill one with wonder and delight. much that there remains but little for benefit and damages resulting to the owners of said property will be made by said viewers aforesaid. All per-

residences in this delightful climate.
