Since the arrival of the United States corps to have charge of and handle the composed of fifty or more men. A list has been opened at 22% East street for applicants who may wish to enlist as machinists, water-tenders, boiler-makers,offers and first, second and third class fireman. The opportunities for promotion in an organistion of this kind of a warrant issued by the Auditor the matter in charge expect soon to are very bright and the officers having have a division of first-class men on their hands, especially as the men, when called upon by the government for their services, will receive the same pay as those in the corresponding ratings of the United States Navy.

Grain ships are having now their dullest times. There will not be a single ship loading any kind of grain this afternoon or tomorrow. This is the first time such a thing has occurred for years. The British ship Dairymple will finish loading barley for Iquique this morning at Port Costa. This will leave the big grain center deserted. There is seeing its quietest days. The German ship C. H. Wetjen is at Oakland wharf the departure of the Dalrymple and the arrival of the Wetjen. Outside of these there are not half a dozen deep-water With charters very low and 22,000 more disengaged tonnage in port than a year way to this port, to make the tonnage on the way here 42,500 tons more than there was affoat and bound for San Francisco a year ago. Of this fleet forty-five vessels are coming from Newcastle, Australia, alone, while twentyseven are on the way from Swanses. Charters are Bobbing about peculiarly, of a warrant issued by the Auditor but the foregoing fact has brought them and Police Judge of the City of As-down. The Crown of England was ofof said city, and to me directed, dated lings 6 pence; in February, 22 shillings and refused them all, only to accept 20 shilings 6 pence a few days ago.-Chron-
