Social revolution and a Grecian republic will probably follow.

somewhere in the comunity, when the very things which would add to the wealth of all and promote the rapid growth of the city and county are shamefully neglected. We have been crying for years—a railroad! Anything for a railroad' And now that the railroad is nearly completed, not a step has been taken to make trade for it. The railroad of itself will not build up the town-there must be something here for the railroad to do. To produce traffic there must be allianced made with business houses in the east and in the Orient; traffic arrang ments must be made with railroads and stramship companies; inducements must be offered to capitalists to settle here and produce local traffic by the manufachure into articles of commerce our raw materials. Capital will readily invest in a community possessing natural recources if its people show a dispo sition to fairly divide profits. This division is necessary in a day of competition like the present; and it is only the quick, active, energetic community which attracts to itself capital or labor Population soon finds the place where something is doing,-where there is life, and it is the dinner pail brigade, manufacturing articles for shipment by rail and by vessel that is going to make

Astoria grow and take her place among the great commercial centers. If a city will not even build a street to the depot of its first railroad, can it be expected that it will give evidence to capitalists of that push in business which would induce them to invest their money here? If a city waits, like Micawher, "for something to turn up," before it provides a decent guest house for strangers. Sent by mail, per year \$6.00 is it to be wondered at that the stranger stays away? If a community refuses Served by carrier, per month..... .45 to build halfway passable county roads, it is at all remarkable that farmers do not care to settle upon its rich lands? throat? Do you cough a great deal, especially who n lying a down? Are you hoarse at times? Does nearly every cold you take settle in your throat? These "throat coughs" are very deceptive. Don't neglect them. Troches, or cough syrups won't touch the spot. You must take remedies that will enrich the blood, tone up the nerves; and heal the inflamed membranes.

SCOTT'S EMULSION of Cod-liver Oil with Hypophosphites contains such remedies. It has wonderful nourishing and healing power. The cause of the cough is removed; the whole system is given new life and vigor; and the danger from threatening lung trouble is swept away.

Book about it free. For sale by all druggists at 50c, and \$1.00.
