ANOTHER ITALIAN MURDER.

New Orleans May Have to Resort to Lynching Again.

New Orleans, May 26.-Italian haired and revenge is responsible for another murder in this city, the latest victim of cold-blooded brutality being Cresingo di Lielle, a basket-maker, who a week or so ago possessed a wife and three children. A friend, an Ballan, Prancisco Cascalero, sometime ago bor rowed several hundred deliars from Di Lielle and worked his way into the good graces of the basket-maker who admitted him to the bosom of his tain Not only piles of the very worst kind ily and accorded him all the hospitality Last week 19 Lielle appeared befor is boils, ulcers and all other skin the recorders court and made adula troubles can be instantly relieved by vir against Francisco charging him with the abduction of his three child and claiming that his friend had eloped with his wife and had also taken his little was breaking up his hou Don't neglect a cough because the He said Princises had taken his wife weather is pleasant; before the next to New York, whereupon a charge was storm rolls around it may develop into sent to New York asking the arrist serious difficulty beyond repair. One of the party The erring ones were not found in New York Daily Di Liebs appeared at the central station in this city asking for news of his list cones but no news was given him Yesterday the body of a man was discovered in the river. A crushed skull a rope tied about the neck and a grindstone attached thereto indicated mur rst discoveres the value of Ayer's Sar- der. Upon investigation it was found saprilla as a blood-purifier. With this that the man was Di Lielle and the indications point to a crime committed edy upon which he may rely, and that by the friends of Francisco in revenge his life-long mulady is at last conquired for functed or real slights upon the name and fame of this individual. It is thought in view of the fact that Di Lieble was seen upon the river from covered before night that he was in vetgled on board a lugger, murdered and his body cast into the water by the leves. It has also transpired that Francisco and the family did not go to New York, but are in New Orleans and the presumption based upon cer tain facts in possession of the police is that Di Eielle was decoyed lugger in hopes of sceing his children and there put to death.
