THE HUNTINGTON

His Branding Iron?

the Building of the Central Pacific

Clatsop, Or., June 26.-(Editor Astorian.) It could only be known who is at the back of this railroad, then people might back of this railroad, then people might prises. They were cranks, etc. San Fran-propriate to the theme at the close. They were cranks, etc. San Franknow what to do." I can tell this Astor -. has the brand of C. P. Huntington,

I first heard of Huntington when 1 don, N. H. My roommate at the academy in the front of battle, with full discretion was from Connecticut, and another loop to buy, sell, go ahead or fall back. The from the same place came to see him other four agreeing to stand or fall with one evening, and the two talked over the him. He followed up his old rule of news from home. I listened and learned buying only the best, having the best of the circuit court yesterday; that Collis Huntigton had gone to will work done on the road, and when it was Astoria Box Co. vs. Mary If the commission. That it was agreed that the commission. That it was agreed that the commission. That it was agreed that the latest and commission. The commission is a substitution of the commission of the commission is a substitution of the commission. The commission is a substitution of the commission of the commission is a substitution of the commission of the comm

Francisco. I saw packages landed on the got hold of his branding iron. wharf from a ship for Huntington and Hopkins. I inquired, and learned that the store was in Sacramento, on K street. Shortly after this a young man and myself took a job of mowing wild oats for hay. Mowing machines had not made their appearance yet. We looked through torical Society of Oregon are requested to the San Francisco store for scythes, and attend the funeral of Captain Philip Johnthere was not a good scythe in the store- son, a Pioneer, from the residence, Sun all culls. We talked it over, and I told him day, June 27, 187, at 1 o'clock p. m. what I had heard about Huntington not By order of the president, dealing in anything but first-class goods, and we concluded it was better to go to Sacramento than to mow all summer with | Economy is something that everyody bought out the scythe factory back home "For six years I have kept Simmo
