General Freight Agent Markham Visits

A new river service has been inaugurated between Astoria and Rainier, Oregon, including all intermediate landings.
The fine steamer "Pligrim," Captain A.
L. Brazee, will make round trips daily, except Sunday, leaving Rainier at 5:20 a. m., reaching Astoria at 10:20, landing at the Fourteenth street wharf, and departing on her return at 1:20. Prompt time and the best service is squaranteed for both passengers and freight. all of the cannerymen and projected bush Thursday eight at the Marquam: "The down again soon. Mr. Markham was Twelve Temptations" furnishes a pleas- formerly freight and passenger agent of ng catertainment for a summer evening the Southern Pacific at Fresco, Cul., and and should not be missed. The same only took hold of his new position play will be repeated this and tomorrow week ago. When asked what his comeveralig and for a matinee tomorrow pany proposed to do in this territ ry and what he thought of Astoria, ne

sint/1: Northern Pacific railroad trains leave "You know I have only been in this Portland daily at il o'clock a. m. for field a short time, and can hardly give Tacoma, Spokane, and the East. Close a correct opinion until I have become connection made at Spokane for Rose- familiar with the situation, This much land, Nelson, Sandow and British Co- can be said, however, the Southern Palumbla mining camps. For maps and cific proposes to demonstrate that it is a: Oregon line as well as the other transcontinental roads. We have not had la large share of the business hereto-

#### service, in connection with the Union Pacific, via Sacramento and Omlea, we of great one to the state of Orogon in

lman, lumber, hope and fruit trades, and I think the people are beginning t ecognize that fact. I have found then

very pleasant here. "Astoria is a new field to me-this t my first visit here I can only say that the most casual observer cannot full to recognize Your superior advantages and gra ki harbor. A splendid railroad is heing built down here from Portland, which will doubtless make great and rapid banges in your commerce and that of the whole state. Yes, I think the South ern will do business with Mr. Hammord's road. In competition with the Canadian Pacific, on trans-Pacific, transcontinenta a port porth of San Francisco an not do business here. Besides, it would also give us the advantage of being abl o load the salmon cars direct at th a meries and thus save transfer, time lamages, and lessen the cost of handling ortance in an age of close competition
