THE DAILY ASTORIAN, FRIDAY MORNING, JULY 23, 1397.

THE OBJECTION NOT GOOD.

There are people who have objections to advertising matter in the columns of a newspaper. The ground of objection. is that they do not want to read advertisements. Now this objection is not good, for oftentimes these advertisenents convey valuable information. For instance, how else would the travsling public learn of the excellent dining car service of the Wisconsin Contral lines between St. Paul and Chicago, or the general comfort of traveling over this popular line. For particulars call on the nearest ticket agent or address J. C. Pondi G. P. A., Milwaukee, Wis, or Geo. S. Balty, General Agent, 246 Stark street, Portland, Or.

Ask the time of day in a group of men you wish to wake up the most absorb ing discussion regarding the individual merits of chronometers.

his stature, so no preparation The best regulator to regulate people Simmons' Liver Regulator. It cegu lates the liver and the liver regulares th If the liver is regular then health is good, but if sluggish or disused then there is constant billousness digestion, headache and all the disslers of the stomach that one hears of. scalp, nourishes the soil in Try Simmons' Liver Regulator and prove
