The Astorian guarantees to its subscribers the largest circulation of any newspaper published on the Columbia

Advertising rates can be had on application to the business manager.

The Weekly Astorian, the second oldest weekly in the state of Oregon, has, next to the Portland Oregonian, the largest weekly circulation in the state.

John F. Handley & Co. are our Portland agents, and copies of the Astorian can be had every morning at their stand, 124 This street.

THE PIONEERS.

A careful analysis of the reports from and choicea morbus. every portion of the United States concerning those who have gone or are dysentery and diarrhoea. Alaska, reveals the unmistakable fact will cure chronic diarrhoea. that with all the boom elements clusimmediate benefit to the country at large, will cure epidemical dysentery. fortunes have paid up old debts and made investments of profit to their home tion from this source, which has been complaints feli in no little degree. But the largest source of revenue to the people has come take. from those who are starting out for 10. Because it has saved the fives of Ainska in search of the golden treas- more p are. Old wallets, which have been hald world. away for years; tin cans. sacks, old Estes-Cons Drug Co. stockings, chests, filled with money and taki aside for a rainy day have been. And now a man who told his family he have been stripped of their savings, and them hugs himself and delights in relatmen and children are eagerly prowding every steamer that will carry them to the land of promise. The amount MILESTONES ON THE ROAD TO of money put in circulation from this can hardly be estimated. Even that not less than \$500 has been spent, on mark our progress on the road to

exodus is more particularly noticeable, and expeditionally consumes the distance erary: Portland is running a close sec- suffer interruption without impairing the quite intense, and growing hourly. The merchants here have outfitted a dozen be actively resumed. Take, for inor fifteen men, and expect to furnish as stance, digestion, a suspension of which The supplies were all purchased here, and it is easily figured that the increase in ache, poverty of the blood, and a hun-

of them will meet with success. They sughness it removes their cause. are, for the most part, men of skill, ised, upon their return with fortunes,

Looking at the matter in any light, it must be admitted that at the present "It fulfills all you promise for it." juncture in national and state affairs. the discovery of these rich gold fields has been an unmixed blessing. Doubtless, heat we are grumbling at the rain. the increase in the sum of the world's gold will have a good influence. That moist sweet hair, select the best preparait can in any way reach such proportions tion to accomplish it. Hall's Helr fteas to endanger the supremacy of gold as a precious metal can hardly be supposed. That question, at any rate, will be one for future generations to grapple with. The hardy men who are sonic to deserve all credit and praise, if successful in their efforts, they will be that much more useful to the nation and somuch more useful to the nation and so-clety, and even if unsuccessful, they will have the satisfaction of knowing that they dared to do what others shrank is the time that tries all the care from, towards the development of Atas- of the mother and all the skill of ka, and the increasing of the mattern's maternal management. Baby

If Astoria falls to secure a visit from 10 sleep and grow. the Eastern lumbermen now on an excursion to the Pacific coast, and who to prosper, if he does not gain will arrive in Portland tomorrow in weight, you must get more morning, it will be the greatest mistake fat there. A few drops of sorge 150 in the lumbermen's party, and they are all representative men, many of them being prepared to extend the field of their operations by making investments in the West. The itinerary of their trip, published elsewhere, would indicate a good opportunity for Astoria to press an invitation upon these gentlemen, as it would be an easy matter for them to delay the return of their special train twenty-four hours, so that they might visit the mouth of the great

THE OBJECTION NOT GOOD

There are people who have objections o advertising matter in the columns of newspaper. The ground of objection is that they do not want to read advertisements. Now this objection is not good, for oftentimes these advertisements convey valuable information. For instance, how else would the travching public learn of the excellent dining oar service of the Wisconsin Central lines between St. Paul and Chicago, or the general comfort of traveling over this popular line. For particulars call on the nearest ticket agent or address J. C. Pond. G. P. A., Milwaukee, Wis., or Geo. S. Batty, General Agent, 746 Stark street, Portland, Or.
