Melical Advisor, illustrated;

cf Cod-liver Oil with Hypophosphites, can be taken as easily in summer as in winter. Unlike the plain oil it is palatable, and the hypophosphites that are in it aid in digestion and at the same time tone

up the system. For sickly, delicate children, and for those whose lungs are affected, it is a mistake to leave it off in the summer months. The dose may be reduced if necessary.

We recommend the small size especially for summer use, and for children, where a smaller dose is required. It should be kept in a cool place after it is once opened.

For sale by all druggiets at eac and face

Any sarsaparilla la sarsaparilla. True. So any tea is tea. So any flour is flour. But grades differ. Fou want the best. It's so with sarsaparilla. There are grades. You want the best, If you understood sarsaparilla as well as you do tea and flour it would be easy to determine. But you don't. How should you? When you are going to buy a commodity whose value you don't know, you pick out an old established house to trade with, and trust their experience and reputation. Do so when buying sarsaparilla.

Aver's Sarsaparilla has been on the market 50 years. Your grandfather used Ayer's. It is a reputable medicine. There are many Sarsaparillas but only one Ayer's. It

THE OBJECTION NOT GOOD

There are people who have objections o advertising matter in the columns of newspaper. The ground of objection is that they do not want to read adcortisements. Now this objection is not good, for oftentimes these advertisements convey valuable information. For instance, how else would the traveling public learn of the excellent dining car service of the Wisconsin Central lines between St. Paul and Chicago, or the general comfort of traveling over this popular line. For particulars call on the nearest ticket agent or address J. C. Pond, G. P. A., Milwaukee, Wla., ne ties, S. Batty, General Agent, 246 Stark street, Portland, Or.
