AN IMPORTANT DECISION.

The case of Zoeth Houser, respondent. decided by the Oregon Suprema Court, is a family under those conditions, so be one that has attracted considerable at became a "middle of the road man," tention throughout the state, especiallymore than passing portes.

county, and in the performance of his direction that the horse had taken and duties as sheriff within his county had soon overtook, and continued to overtake incurred expenses for rallway fares, Hv- he could not pass a run-away horse with ery hire and hotel bills amounting to a part swinging from side to side of the \$35.75, for which he filed a claim in the foud, and throwing spokes at him. county court. The county court refused to allow the claim, and Mr. Houser theredirections to allow the claim. The county suparion, billousness and all stomarh court appeal d to the supreme court, with the result that the judgment of the circuit court was reversed and the writ dismissed. The option, which was written by Chief Justice T. A. Moore, is to swint-" very clear and logical. It discusses the Quip- The professe man should be law under the "fee system" and under the present "salary system," and conthe salary shall take the place of all fees. This, of course, applies only to services of the sheriff within his own county; outside of his county he is entitled to the fees allowed by law.

that if he is required to pay his own lungs. You may feel better beexpenses without reimbursement from cause out of doors more, but the county, it would take his entire the trouble is still there. Don't salary and perhaps leave him in debt stop taking your on account of his office. In this point of view the opinion says that the official takes his office with full knowledge of what his remuneration is to be, and if it is impossible for an officer to perform his duties for the amount allowed, his remedy is to apply to the legislature for an increase in his salary. The province of the court is to interpret the law. not to make it.

The same interpretation of the statute of 186 is held to apply to other county

makes some suggestions that the various and, perhaps, avoid this costly litigation. This was a suit brought to enjoin the payment of certain amounts claimed by the throat, cure the cough, and Zoein Houser as sheriff, which amounts strengthen the whole system Among the suggestions in the opinion Emulsion all summer. is one that the county court should re-

quire all claims presented to it to be comized, so that there would appear on the face of the claim the exact amount claimed as due upon each item, and not allow the claimant to present and have ushited a claim for a lump sum on various items. The county courts through, out the state are very lax in som o their methods, and are, as a result, being called to account by the people. Marion county court, for instance, recently alsent by mail, per month 50 towel a claim of over a thousand dollars Served by carrier, per month...... 45 for "extras," when the contract price was only about a thousand dollars. The result. Be an interestion built against the Sent by mail, per year \$2 in advance, county steasurer to restral payment of the warrant bound. This kind of this gation is profitable for members of the All communications intended for publi- legal profession, but it is not so for the cation should be directed to the editor, taxpayers, and the object of the suggest Business communications of all kinds done in the opinion of the court to this and remittances must be addressed to case is to make the county cours more erend in order that such pregularities

MORE AMOUT ROADS

Clation, Aug 16 .- (Editor Associate)-I noticed in the Sunday's issue of the Astorian ian article on roads signed by 'One of the Victims.

I believe in good routs, but the rouds next to the Portland Oregonian, the are not good in the county and I have to put up with them as they are. I like to hear the victims bowl for attention to called to the bad places thereby

What "Victim" wave of this place

true, but not all of the truth. The cutare narrow and the ills are the same, but narrow as they are there was not It is now certain that the coming re- money enough to cut out the road all the gatta and carnival will surpass anything way through the district, and the part cut out by the boy sent out by Mr. West of the kind ever held in Astoria, or, per- is not a part of the county road, but the hops, on the coast. The splendid man- boy was told to open it enough to let agement of the general committee has teams pass, and it was only a temporary already insured more new features on job for convenience sake, for present use, both land and water than have ever until the road could be opened or grade I think it would be well for the blevelclub to look after this road. The trave ments, and Astorians can congratulate on it is now becoming considerable, and themselves that the responsibility of the if the bridge had been built over the bay event has fallen in such competent hands. It would have been an important road Assorbane are going after gold in terrible bardships. If they make slutes purchased their tickets to Astoria, and it boxes without times in them the gold will should not be overlooked that entertain. all be lost. There has been a gold mine ment must be provided for them, and in this county for years in three unider that right royally. The regula this year Chinock sulmon. County conds were the
