A REMARKABLE CURE OF CHRONIC DIARRHCEA

In 1881, when I served my country as a private in Company A. 167th Pennsylvania Volunteers, I contracted chronic diarrhopa. It has given me a great deal of trouble ever since. I have tried a dozen different medicines and several a sample bottle of Chamberlain's Colle, Rogers. Cholera and Diarrhosa Remedy, and after that I bought and took a 50-cent bottle; and now I can say that I am entirely oured. I cannot be thankful enough to you for this great Remedy, and recommend it to all suffering veterans. If in doubt write me. Yours gratefully, HENRY STEINBERGER, Allentown, Pa. THE OBJECTION NOT GOOD.

There are people who have objections to advertising matter in the columns of a newspaper. The ground of objection is that they do not want to read ad vertisements. Now this objection is not good, for oftentimes these advertisements convey valuable information. For instance, how else would the travching public learn of the excellent dining car service of the Wisconsin Central lines between St. Paul and Chicago, or the general comfort of traveling over this popular line.
