AUNILIARY VESSELS OF THE NAVY SHOULD BE FITTED OUT.

Captain Charles O'Neill Recommends Spending \$500,000 at Once Service Crippled.

New York, September 20 .- A special to the Hernid from Washington says:

Courses will be asked at its coming session to make a large appropriation for the manufacture of modern high power guns to be installed for service on board auxiliary cruisers of the United Blates navy in time of war. Captain Charles O'Nell, chief of the bureau of ordnance, proposes to make a recommendation in his forthcoming report that at least \$500,000 be appropriated for this purpose. In the opinion of Captain O'Neit this sum is not too large to be authortaed at one time.
