SCIENCE PREVAILS.

Against the Ills Plesh Is Heir To.

All our readers are by this time faalliar with the name of Dr. Darrin, and ounts of the many remarkable cures by electricity this celebrated physician have read the testimonials of grateful uthenticky, therefore we are gratified ust put at rest every possible doubt. that nobody will stop a moment to queseller at the hands of the great benenctor, Dr. Darrin, and desires to inform all afflicted that they may have the same opportunity. Mr. West's testimonial is given below:

Examination free to all. To the Public: I am not in the hab! f puffing traveling doctors, but I cannot n justice to the public and Dr. Darrin n my ears. I have been under his treatnent for the above troubles and find JIM WEST. Dr. Darrin will remain at the Occident Hotel, Astoria, until November 1, and will future treat all cases with office or ome treatment at the reduced rate of \$5 a week, or in that proportion of time, is cases may require. The poor treated

STAMPING OUT YELLOW FEVER

TWENTY-FOUR BOURS.

New Cases Reported but No Fatalities-Death Rate Only 10% fer Cent. Prospects Brightened.

New Orleans, October 4.-For the 24 nours closing at nightfall, there had not been a single death reported in the office of the board of health. Yesterday there ad been 31 new cases and at 7 o'clock tenight 22 were reported since 9 o'clock hast night. Yesterday there was under surveillance 200 premises in which yellow fever had been declared, yet not a single case proved fatal in 24 hours. The result was that tonight the death rate had fallen to a triffing excess over 10% per cent, and the prospects for the early stamping out of the disease had conviderably brightened.

At a special meeting of the board of health this afternoon it was decided that man in Astoria than James West. He the ship bringing 30 Sicilian immigrants, upon arrival here shall be detained at quarantine at the mouth of the river until further orders, and notice to this tion his truthfulness. He has received effect was sent to Collector Wilkinson.

FOREST FIRES RAGING.

Rapid City, S. D., October 4.-Serious ires have been raging north and south of this place for four days, and the citgens are exhausted from fighting the fames to save their homes. All night 600 line of fire approaching from the north, though many farm houses were burned. The fire had approached within two miles City in a solid sheet of flame two miles

From various points in Nebraska combeen destroyed. Much stock has perished. The woods and prairies are very dry, no rain having fallen for two months.

A GREAT DANGER IMMINENT

The Leaders Alarmed at the Move-

Campaign by Responsible

New York, October 4.-The Journal and Advertiser today prints an interview with Henry George in which he says

"I have been informed that there sent out today by Tammany managers mediate council. A great danger was THE BOSTONS said to be imminent. It was reported that offers of substantial aid for our movement had been made by responsible men, who said they stood ready to help the cause in all directions. I am willing to express myself clearly on all the estions at issue. My plan of campaign ts to tell the truth. I have nothing to conceal. The fact that I am candidate for mayor will not cause me to change any of my views. My opinions are changed because of the campaign.

"I am a free trader. It may prevent some persons from supporting me; if so. I can't belo it. I am not adjusting my views to the extrencies of a political canvass. What I believe to be for the best interests of the country and the people, I shall advocate.
