J. F. Mc Govern, of the firm of Delafield, Dent's Gloves in all new shades McGovern & Co., New York, who has been in the city for some weeks, said last night that he had been working up an agreement amongst the canneryme as to the sales of their products. Nothing definite has as yet been done in the matter. "I only started out to get them together on sales, and offered to handle the entire output on a certain basis, but have only been the missionary in the matter, and as I told one of the cannerymen today. I have asked noth ing of them, and after agreeing upon the proposition they might appoint some one else to handle their goods at half my price. There are no strings tied to them. I did not authorize the recent statements made in regard to the matgiven it away others had more sense. did not want anything said about it un tfl November 1, I have four concerns pesterday and stopped at the Parker committed and can handle their business. whatever the others do. It is probable the principal canneries will join in on the sales proposition. scheme carries with it a proposition for the operation of their plants under their Great Ashland peaches chesp and good: also own board, but that is entirely an after a large supply of other fine fruits at matter and one for them to decide. The sales proposition and regulation of prices I think meets with general approval, but C. G. Palmberg, the leading contractor has not been settled, further I have and builder, is prepared to do all kinds stated, and the other is altogether prob-
