DR. DARRIN WILL REMAIN

In Astoria Until Further Notice, owing  
to the Many Patients Coming  
for Treatment.

Dr. Darrin has now been practicing  
his profession in Astoria for three months  
with brilliant success, and during that  
time hundreds availing themselves of his  
peculiar practice have been absolutely  
cured of diseases that had baffled the  
skill of all the old school practitioners.

Cases that had been given up, and pa-  
tients who had been advised to spend no  
more time or money in the fruitless at-  
tempt of trying to cure an incurable disease,  
had been sent from the doctor's office  
frequently after a few treatments,

with new leases of life, rejoicing, pain-  
less and well, and crutches have been  
thrown away to be taken up no more.

In fact, the doctor has worked wonders  
and brought joy, health and happiness to  
hundreds of households. His rooms are  
never without patients during office  
hours, and few, indeed, are the cases he  
treates that do not receive permanent  
benefit, as the following card will show:

**PAIN IN HEART TWENTY YEARS.**

Mr. Editor—This is to certify that I  
have had a pain in my heart and breast

twenty years, and tried many physicians,  
without success. After four months'

home treatment by Dr. Darrin I am re-  
stored to health and gladly give my tes-  
timony in his behalf. I reside at Silverton,  
Oregon, where I can be addressed  
or referred to.

C. W. BARKHURST.

Dr. Darrin will remain at the Occident  
Hotel, Astoria, until further notice, and  
will in future treat all cases with office

or home treatment at the rate of \$5 a  
week, or in proportion of time, as  
cases may require. The poor treated free,  
except medicines, from 9 to 10 a. m.

daily. Patients able to pay, from 10 a. m.  
to 5 p. m. Evenings 7 to 8. Examinations  
free to all. All curable chronic,  
acute and private diseases, treated with  
electricity, and medicines when required.

SUICIDES IN ALASKA.

Chicago, Oct. 22.—A letter by C. J.  
Gregory, formerly of Chicago, who left  
here for Alaska in August, is a clear

portrayal of the hardships of the White  
Pass:

"There have been six suicides," he  
writes, "three hangings and eleven kif-  
fings, besides a number of deaths from  
exposure. It costs \$1 to get a letter  
through to Skagway and 10 cents to get  
it mailed. Prices here are very high.  
Flour at Lake Bennett brings \$8 per  
sack; bacon \$1 per pound; beans \$1 per  
pound. Horsehair nails bring 50 cents  
a piece. A pair of shoes will bring any  
price you want to ask; overalls, \$3."

In an interview in the World, Henry  
George says:

"Let Carter Harrison and his friends  
come here. It won't save me a vote; it  
will simply be the efforts of a corrupt  
machine to get another corrupt machine  
out of a hole. If they are so short of  
campaign speakers, why don't they get  
Van Wyck to make a speech?"

## Always Works Right

The superiority of  
the ROYAL BAK-  
ING POWDER over  
and above all  
other kinds is  
never so manifest  
as when tried in  
comparison.

It has greater  
strength, and all the powder in the can  
is of the same strength, and will do the  
same perfect work.

It is the only powder that will hold its  
strength for a long time, or that will keep  
fresh during sea voyages, or in damp  
climates.

It always makes

the finest biscuit,  
cake, doughnuts,  
rolls and muffins,  
and no cook in  
kitchen or camp  
can afford to be  
without it.
