TO CLOSE DYBA.

San Francisco, Dec. 7,-A letter has been ceived by the chamber of commerce of this city from the citizens' Klondike committee of Tackna expressing a willingness to assist in any movement looking to the

closing of Dyen as a port of entry. The energetic methods of the Canadian government to capture the bulk of the Klondike travel is dwelt upon at length, and figures are given to show what an immense revenue may be derived from the tax on the outfits of prospectors alone, if some means is not taken to retaliate.

CHINA WILL NOT CONSENT.

Pekin, Dec. 7.-The Chinese government has caused it to be made known that up to the time of the German occupation of Kaio Chou Bay no claim was made by Germany for reparation as the result of the murder of two missionaries, and there were no other differences between the two governments. Consequently the government of China points out that the missionary question is regarded as a pretext to obtain a naval station, Chinn, it is said, will never consent to the Germans remaining at Kalo Chou Bay
