Mr. Hammond Present at a Gathering of Business Men. ********* FOR ASTORIA'S BEST WI LEARE

Mr. A. R. Hammond, builder of the work being done by the rajiroad, here and

poses Oregonian's Policy Friendly

Mr. Hammond was called upon to state his views, and said that while he was centrained on his recent trip down the grade, and was unable to make any lengthy talk, yet he could say that the mpletion. Less than 11, miles of sending mains to be done, and this will be fin ished by the first of January, so that rest laying will be communed at teath ends, s Targe amount of additional rails being now un the was from the cast. The rails will be faid some time in Petroary, and within six weeks from that time, the fine will be balasted and regular traffic commenced. In regard to advertising Astoriate signation and facilities on a beispress maps, Mr. Hantmond said that the proposed map and article in the Oregoian's New Year's edition would be of the best and to the point, thoroughly outlining the utuation here, and giving an urible sed statement of the facts. He said that conflury to expressions of certain propie, the Oregonian was not unfriendly to the Astoria preposition. It was Mr. Scott's editorials of September 15 or 16. 891, that first called Mr. Hammonds' atention to Astoria, and it was those same editorials which he effectively used lates n New York city, to assist in financing Victoria, B. C., Dec. 18.—Captain Kast.

he proposition. Mr Scott told Mr. Hammond a few days nor and George McLachlan, who left ago that he was prepared still to stand by Dawson City. November 2, arrived at and that Astocia must become a common rong point. Mr. Hammend found in New York and other portions of the East that the Oregonian was looked upon as one of the accepted an offer of the Alaska Commernost reliably and ably edited journals cial Company and the Canadian governof the Pacific come. More than a year ment to supply them with food free at Canadian territory. The resolution furago Mr. Hammond called the aftendon of Port Yukon and have gone for it. IS A WRECK

Ashore in the Storm on Beach South of Carmanah Light.

ALL HANDS WERE SAVED

Nights in a Hurricane-

Port Townsend, Dec. 16.-The schooner

Port Townsend, Wash., Dec. 16.-Captain Lundvalt, gives the following account

"On the third of December, 14 days out from San Buenaventura, and off the coast Joseph McKenna, to be associate yes, of northern California, we were overtice of the supreme court of the United taken by a terrible storm and for seven days and nights the wind became a regular hurricane, the waves sweeping over gion, and Sayers and Bailey spoke in clate justices, all re-appointments, their log of December 10, the spray which for Lewis Mills, attorney for the United that the schooner was in close quarters. don Jackson, one of the agents of the States for the southern district of Iowa I headed the schooner straight ahead. Robert V. Cozier, attorney for the There were rocks to the right and left and in three minutes she was ashore on soft sand on the beach aine miles southeast of Carmanah light. Every man on board escaped with his effects and in term IN SAN FRANCISCO than two hours the schooser had filled and was being twisted and rocked to pieces against and over her.."

From the scene of the wreck Captain Lundvalt ami seven of the crew made their way to Carmanah, where they were cared for by the lightkeepers, for the three days they waited for the sea to subside sufficiently to enable them to go in small boats to Neah bay and not until yesterday did they succeed in getting away. Coptain Lundvalt says that by this time there is nothing left of the schooper worth saving.

A MURDERER HANGED.

Ripley, W. Va., Dec. 16.-John Morgan was hanged here today. He spent the forenoon crying, but rallied so as to go on the scaffold with composure. The crime for which he was hanged was the murder

THE WRECKED CLEVELAND.

Nothing Heard From the Missing Crew of the Ill-fated Vessel.

Victoria, Dec. 16.-The wires to Alberni are working today, but no further news has been received from the wrecked steamer Cleveland. This would seem to settle the fate of the 22 men, for had they been found the captain would have sent
