scribers the largest circulation of any he considered is Orogon. Tonight Mr. R. newspaper published on the Columbia W. Baxtor, the popular general agent of

Advertising rates can be had on applycation to the business manager.

The Weekly Astorian, the second oldest weekly in the state of Oregon, haz. next to the Portland Oregonjan, the will be fully discussed. targest weekly circulation in the state.

John F. Handley & Co. are our Portland agents, and copies of the Astorian can be had every morning at their stand, 12: 200 county. Not in ton you's have the Third atreet.

The Astorian extends its congratuiations to Mr. John Fex and wishes him state of Oregon. Since Mr. Elmore's with- promise this season, as there confirmation by the senate will doubtless the climate, sort and resourof office, and who is understood to be jund of their forefathers. It is equally quite anxious to assume other important certain that the population of Oregon will business relations. Mr. Fox has the busis be doubted in the next two or three years. ness ability and experience to make a We want people; Astoria and Clatson good officer, and his administration will county want people; and people we are probably be entirely satisfactory to his about to get in an overwhelming tide. triends and the administration.

ASTORA AND PROGRESS.

unbelievers, what is in store for Astoria in 1898 and what, if anything, will bring her into the line of the wave of general prosperity now sweeping over the land. It is not necessary to read the answer in the stars because the indications in

every-day affaire are very plain. It is an assured fact that some time in April the much expected and long-hoped for railto ensure prosperity to Astoria. But confurnished for our millions of feet of lumout bronking bulk; quick despatch will be Mners will begin to discorge their cargos tinent forty-eight hours ahead of sup- who seek its aid. ments from any other port on the Pacific; the wheat curriers of the world will take their cargoes from Astoria ejevators and the basy hum of factory wheels, noise of hammers in the dry docks and ship yards.

ready begins to realize the benefits acciu. ments, ing under the live and independent railroad policy of broud-minded and energence men. It has arranged to experiment upon given to the fruit culture of the state. A What is convention of fruit-growers will be held in Portland January II, and a can nas Scott's and a mining exhibit. Other like projects of tremendous import to the sterests of Emulsion the entire commonwealth are known to

R. & N. would or could do for Astoria and Liver Oil emulsified or partially Charsop county, along these industrial digested, combined with the welllines, General Traffic Manager Campbell known and highly prized Hypoetated that his company would be good phosphites of Lime and Soda, so and willing to do anything to aid in the that their potency is materially development of Ciatsop, and that it was increased. possible that it could help in the establishment of flax, sugar cane and magar heet growing in this territory, where the soil and climate seem particularly adapted rerial and the assistance of such an inmitution as the O. R. & N. would be a

The changes in the railroad map are being arranged just as predicted two years ago by the Astorian. In addition, it seems more than probable by information at hand that a great belt line system may be organized to the near future, including

sanagement of all the roads from Huntngton and Spokane to Portland and the see that J. Pierpont Morgan could carry the are at the head of the greatese rate road organization in the world control ing more than 25,000 miles of rails, exceptor cation should be directed to the editor. lory. At a meeting of officers of the Business communications of all kinds newly reorganized Union Pacific, new one of the stems of the Vandschilt tree, to be held in the cast within the next few The Astorian guarantees to its sub. days, one of the principal questions to pet schemes, the building up of Chresop

county and the increasing of traffic along

the Columbia river, to and from Astoria.

Tous it may be seen that great things are in preparation, and the very air is today. There will be enough for all and to give away to our neighbors. The thouvery much success in his administration wands and thousands headed for the Klonof one of the best federal offices in the dike cannot possibly reach that land of of his appointment as executar of the They are coming "two hundred thousand estage of the late E. P. Elmore-the du- strong, Father Abraham," from every ties of which trust will necessitate his easiern state, and from England, France repeated absence from Oregon for long and Germany. While waiting for transportation, hundreds and hundreds of the Astorian has entertained no foubt these people, most of them from the higher whatever of Mr. Fox's appointment His walks of life, will thoroughly investigate speedily follow; thus relieving Judge Page, strest state of which they have heard so abu has been obliged to hold over several much, and it is eaf in say that 50 per Broan and muscle can find here all of the signatus from which to weave a prosperity unarrainable in the less favored tocalifies of the east. The only difficulty ous been that these people didn't know t, and they have perred along at a star. vation pace, when here is a land flowing
