FUSION THE TOPIC

LEADING SCIRITS OF THE "REPORM" PARTIES HAVE ORIGINAL IDBAS.

Wide Difference of opinion as to the Terms of the Union The Wolffin Sheep's Clothing In Abroad.

Salem, Or., January 20 .- (Editor As torian)-Fusion is the all important topic of the day in every city, town and crossroads of the state. Everybody discusses the question, each believer in the gold standard has his opinion of the outcomand each supporter of the cause of free in trobs, and torsured in order to force silver has his pet scheme for a union of them to divulge their mission and comshe silver forces. The leading spirits of plicity with the insurgents. Officials bethe 'reform' parties have each an 'originat' plan whereby a union can be of inal" plan whereby a union can be ef-vicinity where the capture was effected, offer them. fected that will be satisfactory to all and and with the flight-tering which was guarantee success to the "defenders of a thought to have a commission, down-trodden people."

The members of the silver republican propies' and silver democrats are quite uniformly agreed upon the proposition that in a union there is the greatest poseibility of success, but when the manner and terms of the combination are to be. The government considers that persistdetermined, there is a wide divergence once in the Engo attitude by American of opinion and a strongth of conviction congress would be contrary to the dicthat casts a shadow on the brighter the Washington government in deference pin having it mink that their nerves are clined to grayness, use the best prepara phase of the matter. 'It is estimated to the jingo tendency commit unjustifi- to blame and are surprised that they are tion made to correct and cure-Hall's that in Orogon there are 45.000 republicans, able acts, Spain would regard it us a pro-30,000 populists and ti.000 democrats. The vocation which she would reply to with experience the populists have had in the past gives them every assurance that per Menor Gulon, has received Washing. to be looked after. if they effect a union with the democrats it is dispatches which provoked a long catthe democrats will carry off the spoils | met discussion. in case of victory, will capture the new political organization and the people's party will soon be absorbed like the last tribes of Inrael. It is evident from the in view of the news from the United way the union is being urged that the States, but it considers that the prodemocrats propose to use the populists coeffines of the senate is regarded less to help earry an election, and then claim seriously abroad than it was in the days the glory and reap the reward. The populing a sense of political responsibility. lists, outnumbering the democrate two to one, will hardly acquiesce in any such MARTIAL LAW scheme after they have labored all these years to gutn the following they now have

PILOT BOAT QUESTION.

An liwaco Man's Opinion of the Condition

of Affaire. Hwaco, Wash., January 22 - (Editor As terian) I notice in your paper of yesterday that our Washington pilot commis woiners have revoked the licenses held by the three pilots supposedly representing the state of Washington on the Columbia, noon, but it also hints unpleasantly of the river bar. It seems to me that it as time | big gas bills. this action was taken, as the loose way in which the pilot service on the Columbia river bar has been conducted for the past two years is nothing short of a diswace. The state of Washington is supposed to have a pilot schooner on the bar with its three pilots. Yet it is a wellknown fact that ever since the Jessie reed on the bar that the Washington and Oregon pilots have combined and they have used both the Jessie and San Jose alternately until the Washington pilots discarded the Jessie in November and since that time have used the Oregon schooner alone in conjunction with the Oregon pilots. Now, in my opinion, the pilot schooner representing it on the bar. and it has been a matter of conjecture to Chas. Rogers. many of our citizens why our commissioners permitted our pilots to retain their branches without having a schooner. The general impression was that they to procure another schooner in place of the one they discaded, but the forty days have run out some time ago and yet they remain on the Oregon schooner. I believe the state of Oregon furnishes its cost and also contributes the sum of thing," or they would never permit mon common sense holding Washington branches to use

ment to the Columbia river and the sooner WEEKLY BUDGET stop to it the better for the Columbia OF THE DAY river. I trust the news as published in your paper is true and will be verified, but it is well known that our pilot commission is divided into a majority and a minority-the majority favoring the pilots like manner. It is very probable, however, that Governor Hogers will take a hand lumbia river and the state of Washington will obtain what rightfully belongs WASHINGTONIAN.
