REASSEMBLING OF PARLIAMENT

Air Charged With Uncasiness -- Prospect of Important Session.

THEY LAUGH AT GERMANY

American Prnir All Right-Quern Victoria Will Visit South of France-

Society News.

London, February 5 - (Copyright 1898 by at Ostiorne, Isle of Wight, on Thursday. the queen's speech to be read at the reassembling of parliament next week was approved. It will be the most important litelaw of the Prince of Wales. pronouncement for years past. Her majusty is following the events in the far east very closely and has the keened appreciation of the difficulties. She has been

It will be idle to deny that parliamen is reassembling with the air charged with invasions and with the prospect the son sich will be the most important as regards. home and fereign politics. First in interest is the Chinese question. It is known authoritatively that the Marquis of Salts. bury loss disapproved strongly the declaration made by sir Michael Hicks-Beach the charcellor of the exchequer, at Bristo as embarrassia his negotiations with other cabinet ministers. The premier has also resented the virulence of the press attacks growing out of the mecalled backdown of the government on the subjecof opening the port of Tallen Was, and the revival of Count Crotis' description of his briship as a 'lath painted to imitat trong has emphasized his trritation. The ttion, however, has decided not pr nestedy prolong the debate on the address in reply to the speech from the brone, and to challenge debate on the In dian trouble fater, but the opposition with try to get the government programme at the earliest possible moment. Irish members will be much in evideacduring the coming season, the govern ment's local government and Calholi university bills affording them a great

Dillouites, Redmonfee and Healyites have todged for common action and with the exception of Mewers, Carson, Lecky and T. W. Rossell are the Iriah unloadeds who will oppose it. The first mentlened bil probably will precede the army felt. which will be the feature of the scenia. and which will also serve to introduce the Dreyfus question into the house of commone for a rodical member will ask the government if it has ever received socrets from the notorious prisoner.

Hegarding this week's rumor of the appresching resignation of the Marquis of the subject of gives p in the inner circles some days before it appeared in the news. pupers. If such an intent exists in the mind of the marquiz it is apparently due to his present state of health, for though his physician bas advised him to lighten his work as much as possible, the apsearance of the premier at Westnesday's foreign office reception belief the story circulated concerning his poor health. He walked lightly and had middy checks. Germany's action or excluding Ameri

can "affected" from fruits and five plants and shrubs and packages contain tog the same, is laughed at by the author tties here, who have to deal with the American fruit shipped to England. representative of the Associated Press is informed by the board of agriculture that there sever has been any complaint in this country against American fruits. There was some agitation years ago or the subject of spraying trees with accenie, but investigation proved that the practhat the same method was followed in England, Canada, and on the continent.

All the fruit importers of Coven Carden made similar statements. A representutive of the biggest firm said that to their experience only one package of Americas fruit and reached Covent Garden in until conditions. Inquiries among the retail dealers show that they have never heard the slightest complaint connected with American fruit.

The most interesting feature in hom politice during the week was the revolt of the liberal unionaits of the Edgbaston division of Hirmingham, led by the Hirm figham Post. The liberal unionless is this division outnumber the conserva tives, but the next vacality was promleed to the conservatives some time ago Now a large section of the liberals decline to submit to this, shough Joseph Chamberlain, the secretary of state for in browleading the legislative committee not an empty puff, paid for at so much a real cases to prove there is no of the liberal union association who by a line, but is voluntarily given in good faith, good majority have voted that the con- in the hope that suffering humanity may servatives shall select the successor of try these remedies and, like the writer, be George Dixon, Mr. Chamberlain declaring benefited.-From the Glenville (W. The pope is pronounced to be in excellent health and to be busying himself with a document to be addressed to the Catholics of christendom, thanking them for their affection as expressed on the occas-

ion of his jublies. The document lavelves political and religious and peace throughout the human race. His holiness will preside at the function at St. Peters and will afterward receive a body of pilgrims, including a numerous delegation from the United

Queen Victoria will visit the Indian cam paign wounded at Netley on Thursday and will start for Nice on March 9, going there by her usual route, but by easier stages than hitherto. She will spend two nights on board the royal yacht Victoria and Albert, presumably one night in Eng. and gives a good complexion. Every botlish waters, after embarking and one neight in French waters after arriving at Co. Cherbourg, where she will take the train for the south of France.

The first drawing room of the season will be held February 24 by the Princess of Wales in behalf of the queen.

The second drawing room will be held on March 2, and there will be no drawing rooms in May. The number of presenta tions at each drawing room is limited to 200. There will be four levees this season two before and two after Easter. The Prince of Wales will hold two of

them and the other two will be held by the Duke of York. The Duke and Duchess of Fife, a fortnight ago, agreed to open the new backney town hall and the vestry by a large majority voted to expend \$1000 to entertain them; but the minority of the vestry protested against the expenditure and an angry discussion followed. The local newspaper cuttings on the subject were is guaranteed for coughs, colds and consent to the Duke and Duchess of Fife, sumpttion. It don't fail. Man's decorative ambition seems to rur largely to a room containing a dado o theatrical photographs.

HOW TO LOOK GOOD.

Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver be inactive, you have a bilious look if your stomach be disordered, you have a dyspeptic look; if your kidneys be affected, you have a pinched look. Secure good health and you will surely have good looks. "Electric Bitters" is a good alter ative and tonic. Acts directly on the stomach, liver and kidneys. Purifies the blood, oures pimples, blotches and bolls, tle guaranteed. Sold at Estes-Conn Drug

It should be quite as impossible for voman to be depressed in a pink frock as for one to be hilarious in crepe.

CONSUMPTION POSITIVELY CURED howie, Va., certifies that he had consumption, was given up to die, sought all medfeal treatment that money could procure, tried all cough remedies he could hear of, but got no relief; was induced to try Dr. King's New Discovery, and was cured by use of two bottles. For past three years has been attending to business, and says Dr. King's New Discovery is the grandest remedy ever made, as it has done so the influence of this incomparable dress much for him and also for others in his community.
