The workman often eats his lunch on the same bench where he does his work. The office man turns his desk into a dining table. Neither gets the out of goors exercise he needs, neither takes the proper time for eating. It is small wonder that the digestion of both gets out of order. In such cases Dr. Pierce's Pleasant Pellets come to their assistance by aiding nu-

ture in taking care of the food. The cause of nine-tenths of the sickness of the world is constipation. From this one cause come indignation; disorders of the stomach, liver and kidneys; hillousness, headaches, flatulence, heartburn, empurity of the blood and the serious complications that follow. To begin with, countipation is a little thing, and a little thing will cure it. The "Pleasan Pellets" are tiny, sugar-coated granges. They will perfectly cure the worst case of constipution and indigestion. If the druggist tries to sell you same other pill that pays him greater profit, jost think of what will best pay you.
