CATABRH OF THE STOMACH. Simple, but Safe Effectual

Cure for It. Catarrh of the stomach has long been naldered the next thing to incurable. The usual symptoms are a full or bloat ing sensation after eating, accompanied setimes with sour or watery risings, a the heart and lungs and difficult breath- Shares one dollar. For information ading: headache, fickie appetite, nervousness and a general played out, languid for building, Seattle, Wash.

There is often a foul taste in the mouth coated tongue, and if the interior of the stomach could be seen it would show a slimy, inflamed condition

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly discuted before it has time to ferment and irritate the delicate mucous surfaces of the stomach.

To secure a prompt and healthy di gestion is the one necessary thing to do, and when normal digestion is secured the catarrhal condition will have disappeared. and best treatment is to use after each meal a tablet, composed of diastase, Asep tic pepsin, a littl nux, golden seal and

These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets, and, not being a patent medicine, can be used with perfect tite and thorough digestion will follow heir regular use after meals.

Mr. N. J. Booher, of 2710 Dearborn St Chicago, Ill., writes: "Catarrh is a foca condition resulting from a neglected gold n the head, whereby the lining membrane nous discharge therefrom, passing backward into the throat, reaches the stomach, thus producing catarrh of th stomach. Medical authorities prescribed for me for three years for catarrh of the stomach without ours, but today I am the happiest of men after using only one box of Smart's Dyspepsia Tablets. I cannot find appropriate words to express my good
