

INTERNE BUFFERING. From Dyspepsia and Stomach Trouble. Instantly Relieved and Permanently Cured. A New Discovery, But Not a Patent Medicine.

Dr. Hodwell relates an interesting account of what he considers a remarkable cure of acute stomach trouble and chronic dyspepsia by the use of the new discovery, Burt's Dyspepsia Tablets.

He says: "The patient was a man who had suffered to my knowledge for years with dyspepsia. Everything he ate seemed to sour and create acid and gases in the stomach; he had pains like rheumatism in the back, shoulder blades and limbs, fullness and distress after eating, poor appetite and loss of flesh, the heart became affected, causing palpitation and sleeplessness at night."

I gave him powerful nerve tonics and blood remedies, but to no purpose. As an experiment I finally bought a fifty-cent package of Burt's Dyspepsia Tablets at a drug store and gave them to him. Almost immediate relief was given and after he had used four boxes he was on all appearances fully cured.

There was no more acidity or sour watery risings, no bloating after meals, the appetite was vigorous and he has gained between 10 and 12 pounds in weight of solid, healthy flesh.

Although Burt's Dyspepsia Tablets are advertised and sold in drug stores yet I consider them a most valuable addition to any physician's line of remedies, as they are perfectly harmless and can be given to children or invalids or in any condition of the stomach with perfect safety, being harmless and containing nothing but vegetable and fruit essences, pure pepsin and Golden Seal.

Without any question they are the safest, most effective cure for indigestion, biliousness, constipation and all derangements of the stomach however slight or severe.

Burt's Dyspepsia Tablets are sold by druggists everywhere at fifty cents for full sized package.
