A Positive Cure for Dyspepsia.

This may read as though we were putling it a little strong, because it is generally thought by the majority of people that dyspepsia in its chronic form is in practically so. But we have long since shown that dyspepsia is curable, nor is it such a difficult matter as

The trouble with dyspeptics is that they are continually dieting, starving or size deinging the already over burd-ened stemach with "bitters," "after dinner pills," etc., which invariably increase do give a slight temporary relief. Such treatment of the stomach simply make matters worse. What the stomach wants is a rest. Now how can the stomach become rested, recuperated and at th

to directions is to eat an abundance of good, wholesome food and use the tablets before and after each meal and the result will be that the food will be digested no matter how bad your dyspepsis man be, because as before stated, the tablets will digest the food even if the stomacl is wholly inactive. To illustrate on meaning plainly, if you take 1,800 grains of ment, eggs or ordinary food and place it in a temperature of 98 degrees, and pu with it one of Smart's Dyspepsia Tablets cossed on the streets yesterday and the it will digest the meat or eggs almost latest news was emperly looked for, now as perfectly as if the meat was anclosed as perfectly as if the meat was anclosed within the stomach.

The stomach may be ever so weak yet these tablets will perform the work of digestion and the body and brain will be properly nourished and at the same time radical, lasting cure of dyspepsia will be made because the much abused stomach will be given, to some extent, much needed rest. Your druggist will tell you that of the many remedies advertised to cure dyspepsia none of them has given so complete and general sat-Isfaction as Stuart's Dyspepsia Tablett the cheapest and give the most good for
