The Infanta Maria Teresa was a modern warship, built by wealthy Spaniards in a Spanish port. She excited a general admiration when she represented Spain in the Grant monument in the Riverside Park. So complete was she that Spain decided to build others like her. The Vizcaya, the Cristobal Colon, and the Almirante Oquendo were all magnificent cruisers, a credit to any nation, and are estimated to have cost, with armament, as much as \$20,000,000 a piece.

MANHOOD RESTORED BY using Dr. Pierce's Yellow Pills. Persons troubled with diarrhoea will be interested in the experience of Mr. W. M. Bush, clerk of Hotel Danmore, Providence, R. I. He says: 'For several years I have been almost a constant sufferer from diarrhoea, the frequent attacks completely prostrating me and rendering me unfit for my duties at the hotel. About two years ago a traveling salesman kindly gave me a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise and delight its effects were instantaneous. Whenever I feel symptoms of the disease I would fortify myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief from the affliction.' For sale by Charles Rogers, druggist.
