PROCRASTINATION BEFORE THE CITY OF SANTIAGO

General Toral Again Refuses to Surrender--Bombardment Has Been Set for Today.

HEAVY RAINS PREVENT THE BRINGING FORWARD OF OUR SIEGE GUNS

Porto Rico Will be the Next Place Invaded--Probably by Shafter's Army--The French Military Attache Pays a High Tribute to Our Soldiers--Small British Sloop Captured by the St. Louis--The Problem Is Solved, and Santiago Can Now Be Reduced by the Navy Alone--Shafter Crowding Closer--The Engagement Yesterday Was Short--Explosion in a New Jersey Powder Works Causes Terrible Havoc.

BEFORE SANTIAGO, via Playa del Este, July 12.—This morning General Toral sent out a reply to General Shafter's second demand for the unconditional surrender of Santiago made by the latter yesterday afternoon. In his reply General Toral referred to his refusal to accede to the American demand on Sunday and again reiterated his determination to resist. Notwithstanding this the American batteries did not open fire this morning and the renewal of the bombardment will probably be postponed until tomorrow (Wednesday), when it is hoped that all of General Randolph's troops will be in position. The siege guns landed yesterday will also be brought up as soon as possible.

A SPANISH CORRESPONDENT.

London, July 12.—The Havana correspondent of the Times in a letter dated June 12 describing events and daily life there, testifies to the excellent reorganization and orderly conduct of the police, who, nevertheless "have been denounced by American journalists as armed ruffians and a terror to the law-abiding."
