The use of income of national taxes to create an artificial S-foot channel in the Columbia and Willamette rivers to the railroad terminals at Portland is not a local political issue.

On a keener sense of loss of one dollar lost than twenty spent.

One month ago my child, which is fifteen months old, had an attack of diarrhea accompanied by vomiting.

My child was so ill that I was obliged to change for the better, by its continued use a complete cure was brought about.

A woman never seeks out a girlhood acquaintance unless she thinks she has kept her age remarkably well.

On many purchases these evenings the auctioneer is played in preference to ten or guitar.

ports was 11.1 per cent, while the total increase in exportation from the entire country was 17.4 per cent.

Against this unfavorable showing the Pacific ports present a record of increase that is unprecedented in trade annals.

While a portion of this remarkable increase is attributable to the existing business developed by the cash for the Klondike, the main portion of it is due to elements of increasing activity.

Money-back are good, of course, if they are really money-back.

That the blood should perform its vital functions, it is absolutely necessary it should not only be pure but rich in life-giving elements.
