this a pretty steep rate to pay for the miles of "cheap" water carriage?

Walla Walla wheat in the warehouse at Astoria will command the same price as nt San Francisco, Walla Walla wheat much as Walls Walls wheat affect at San Francisco. Are the farmers of Oregon interested in a common point or As-

farmer in the low price of Oregon fuel as enemy was to be struck wherever he compared with that of California, and what else can be made of it?

Astoria maintains that the farmers of this place is established as the shipping pletely as though we had occupied every per box. For sale by Estes-Conn Drug point for grain, it will be Oregon's ship. portion of her territory. ping point in truth, and there will be no more wheat carried by O. R. & N. steamers to San Francisco, there to be transhipped to Europe, nor will the Southern Pacific elevate the grain of the Williamette Valley 5,000 feet into the air over the is money-back? Siskiyou mountains in order to get it San Francisco. With a common point at Astoria it will be no longer profstable for any transportation company to carry wheat from Oregon to California Can the Oregon farmer understand where in deepening the sand bars of the Columbia river? Do private corporate interests parilla. receive this benefit, as stated by the Axproducers of Oregon, as stated by the ciful-

The next public question for public indigestion, makes you eat, sleep, work consideration will be the future of the and happy. Satisfaction guaranteed or ing is now 75,000 men. This basis will of course the maintained until affairs are put. Eau de cologne is a delightful and reon a permanent basis in Cuba and Porto eling. demanded an increuse in the navy. Yet en in such cases, but as nothing gales reany intelligent man knows that the navy could be quite as effective an instrument in the hands of tyranny as the army could be. The whole thing is an absolute absurdity. A regular army of 190,000 men. with a large mayy added, could not endanger the liberties of the 75,00,000 free men of this republic. Nor could either be used for such a purpose. The men in the ranks and on the ships are from the marses of the people, and fully in touch with public sentiment. A regular army is no more dangerous to us than a volun teer army of the same numbers would be Volunteers and regulars are Americans all. Perhaps the Spanish war will help to bring about a more sensible way of looking at this matter. It ought to be clear to any intelligent student of history that the danger to the republic will no se from a tyrant like Napoleon or any other European usurper of power. Such a tyranny is impossible. The only danger from an ignorant and unintelligent voting population, not from a military

THE SURPRISE OF THE WAR.

Philadelphia Times.

While there were some thoughtless per ons who talked as though it would be an easy thing to drive the Spanish out of Cuba, we do not think there was any in cation should be directed to the editor, at all. The liberation of Cuba was the ni there the largest circulation of any news- that naval operations must be undertaken

arces of the United States than those of Spain, that a long and persistent war of coal at San Francisco; might lead ultimately to such results; bu put it another way, what do the that a professedly military nation, with a large army and a supp was its field thust vastly expanded, but is now perfectly healthy.-C. L. BOGGS, naval victory had also thrown as added importance on the remaining Spanish fleet, whose presence at Santlago made Cuts, Bruises, Sores, Ulcers, Sait Rheum, Oregon would get more for their wheat that the decisive battlefield, and when blains, Corns and all Skin Bruptions, and the fleet had been destroyed and the army positively cures Piles, or no pay required captured. CASTORIA. O The Kind You Have Always Bought Bears the Chat H. Fletchire

About one month ago my child, which fifteen months old, had an attack of diarrhoea accompanied by vomiting gave it such remedies as are usually gilief, we sent for a physician and it was

What is wanted of soap for the skin is to wash it clean and not hurt it. Pure soap does that. This is why we want pure soap; and when we say pure, we mean without alkali.

Pears' is pure; no free alkali. There are a thousand virtues of soap; this one is enough. You can trust a soap that has no biting alkali in it.

All sorts of stores sell it, especially druggists; all sorts of people use it.

AN OPEN LETTER To MOTHERS

WE ARE ASSERTING IN THE COURTS OUR RIGHT TO THE EXCLUSIVE USE OF THE WORD "CASTORIA," AND "PITCHER'S CASTORIA," AS OUR TRADE MARK.

I. DR. SAMUEL PITCHER, of Hyannis, Massachusetts, was the originator of "CASTORIA," the same that has borne and does now bear the fac-simile signature of Chart the littles wrapper. This is the original "CASTORIA" which has been used in the homes of the Mothers of America for over thirty years.

LOOK CAREFULLY at the wrapper and see that it is the kind you have always bought and has the signature of backst kelchest wropper. No one has authority from me to use my name except The Centaur Company, of which Chas. H. Fletcher is President. March 24, 1898.

Menual Pitcher M.D. Do Not Be Deceived

Do not endanger the life of your child by acception a cheap substitute which some druggist may offer you (because he makes a few more pennies on it), the ingredients of which even he does not know.
