All remmunications intended for publiention should be directed to the editor. siness communications of all kinds and resoltiances must be addressed to "The Asterian."

The Astorian guarantees to its adverthere the largest circulation of any newssaper published on the Columbia river.

Advertising rates can be had on applimiles to the business manager.

The Oregonian attempts to ridicule the position assumed by Astoria in her dethe attention of Washington ofed army officers? Why, also, does he article attempt to show that Astoria's have the effect of working gainst further appropriations for the imsent of the harbor? Does Portland ybe she does. But a senator is g to may about his selection

practical ways has been during the past twenty years, it requires a sta-Marical exhibition of the subject, particu on the financial side, to furnish an nation of the subject furnishes interesting details. For instance, it is stated that as recently as 1884 the total investment in electrical appliances throughout the United States did not agmuch over \$1,000,000, while at the ratiroads, lighting and other put it down as fully \$1,900,000. 14,000 miles of electrical railroads which exist today in the United States capitalization, at its par of about \$1000,000,000, while the electric lighting stations and plants in the essentry are believed to represent an intment of fully \$600,600,000, the capital involved in the telephone business and The hollest of all holidays are those all its minimations being placed at not

The literal fact is, the Prescription will positively cure any detheir crops of wheat in order that Port- has kept her from consulting a physician. in the Columbia river basin fusely illustrated. drought the price it should, as compared Oft pitying God did well-form'd spirits with California wheat, our grain would go to Europe instead of to China. Query: Does not this fact suggest the possibility of a mill wheat pool somewhere in Oregon, designed to depress the price of wheat so that the mills can handle a larger portion of the grain than if it could reach the European markets?

Nobody in Astoria objects to such improvement in the Upper Columbia or keep them navigable for river steamers. is a cheap trick to enhat the sympathy or excite the prejudice of Willamette valley and eastern Oregon against the Astoria side of the present controversy. Astoria has always contended for an open river above Port-Band, on both the Williamette and the Co-Bumbia. It is not the purpose to close the river between here and Portland, but with the completion of the railroad to America, there is no longer any publ mecessity for a ship charnel to Portland If the government should never appropriare another dollar to the improvement of the Columbia, "below the mouth of the "B'llamette," the river would remain deep example for all vessels of commercial neessuity between Astoria and Portland, gest as it was a thousand years befor there was any United States governmen or the discovery of America by Columbus

OUR GRAIN SHIPMENTS. A giance at the figures for the shipping searon 1897-98 furnishes interesting in formation and food for reflection. The

totals of wheat and flour shipments, re duced to husbels, show the following: Columbia river 19,900,145 Puget Sound . B.846.502 Vin Canadian Pac. R.R. to Orient. 267,785 Local consumption ...... 2,000,000 4,600,000 

Total production, Columbia river basin ......

The shipments from California during fully belong in our export figures

The shipments of 18,302,148 bushels when 8 were the targest in len years past. The nearest approach to these figures being the senson of 1894-95, when the shipments

the 57-98 season, including ton steamers which carried this wheat and flour to foreign shores. The shipments to China in Oregon and Washington is excellen and conservative estimates place the in crease at 10 per cent, or about 41 to 41

The highest charter rate paid during that season was 40s, the lowest 22s 6d and the highest price of cash wheat he Portland market was \$1, in May, 1898. and the lowest \$1 cents, in June, '58.

YELLOW JAUNDICE CURED.

Suffering humanity should be supplied It is with pleasure we puplish the following: "This is to certify that I was a terrible sufferer from Yellow Jaundice for over six months, and was treated by some of the best physicians in our city and all to no avail. Dr. Bell, our druggist, recommended Electric Bitters; and after taking two bottles, I was entirely cured. I now take great pleasure in recommending them to any person suffering from this terrible maiady. I am gratefully yours, M. A. Hogarty, Lexington, Ky. Sold by Estes-Conn Drug Co.

ittle attention to the living, but beduzens ers, druggist, the dead, furnishes out their funerals ind follows them to the grave.-Colton:

To keep the skin clean is to wash the excretions from it off; the skin takes care of itself inside, if not blocked outside.

To wash it often and clean, without doing any sort of violence to it, requires a most gentle soap, a soap with no free alkali in it.

Pears', the soap that clears but not excoriates. All sorts of stores sell it, especially druggists; all sorts of people use it.
