A WOMAN'S WAY OF BUYING SHOES.....
 is a good way if she's of a common sense turn of mind. A smart woman can generally tell if a shoe fits her foot. This being true the shoe man who tries to delude the woman makes the blunder of his life and drives his trade to a store where reliable shoes are sold and perfect fitting is performed.

SYRUP OF FIGS
 NEVER IMITATED IN QUALITY.

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guarantee of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

WANTS ANNEXATION.
 Intelligent Natives at Manila Believe It Is the True Road to Liberty.

NEW YORK, Sept. 3.—A dispatch to the Herald from Manila says: One of General Aguinaldo's confidential advisers says that the purpose of the leading Filipinos at present is to petition the United States asking for annexation. The educated natives realize that they will never obtain a treaty and prosperity under Tagalog rulers. Aguinaldo is not a party to the scheme, still he dreams of a republic under an American protectorate.

PANDO SECRETLY DEPARTS.
 The General Embarks at Havana in Possession of a Large Sum of Money.

NEW YORK, Sept. 3.—A dispatch to the Herald from Havana, via Key West, says: Pando has successfully done everything in his power to convey the impression he was sailing to Spain, via New York on the steamship Philadelphia Thursday. General Pando instead secretly started for his native land about ten hours later on the French steamer Notre Dame du Salut. It is said with 100 per cent of the secret was effectually kept and very few persons here have any knowledge of it and all the Havana newspapers announce Pando's departure on the Philadelphia.

AN IDEAL CAMP.
 Colonel Moore Reports on the Healthfulness of Camp Meade.

WASHINGTON, Sept. 3.—Colonel Moore, of the quartermaster's department, has returned from Middletown, where he has been in charge of work at Camp Meade. He has made a verbal report to Secretary Alger of the conditions there. He says that the camp is one of the finest farms in the vicinity, on high rolling land, from 250 to 300 feet above the Susquehanna river. The water is abundant and is obtained from a source that there can be no possible danger of pollution.
