realize it, but the little ills that they neglect are simply the danger signals that warn them of the approach of big and serious maladies. A well man or woman gets up in the morning happy and clear-headed and alert, both tired, but not fagged out. They still have the energy for an evening's enjoyment. At night they find sound, refreshing slumber. They do not have frightful dreams during their sleeping hours, nor are they drowsy during their waking hours. They are not ill-tempered or fault-finding. When men or women find their condition the op-posite of this, they need a course of Dr. Pierce's Golden Medical Discovery. It strengthens the weak stomach, corrects the impaired digestion invigorates the liver, and purifies and enriches the blood. It is the great blood maker and flesh-builder. It strengthens the muscular sysbunder. At strengthens the innection sys-tem, gives bloom to the complexion, regu-lates the functions of every vital organ and imparts both mental and physical clasticity and energy.. Medicine dealers sell it, and have nothing "just as good."

"I had been troubled for several years with spells of liver complaint," writes H. N. Drampfield, Esq., of Sweetsprings, Monroe Co., W. Va., "and about two years ago my health gave way. I tried a doctor and got worse all the time. I had a weakness in my left side and limbs, pelpitation of the heart, cramping pains in the stomach after eating; nerves weak and no energy. I took Dr. Pierce's Golden Medical Discovery and began to mend from the start. I soon felt like a new person. I am now enloying good health."
