

is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the California Fig Synup Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG STRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the Cali-FORNIA FIG STRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of

WILL BE GONE IN THREE WEEKS

It Is Thought the Spaniards Will Have Evacuated Porto Rico Within That Time.

RAPID WORK HAS BEEN DONE

Work, but Materially Assisted American Commission

Copyright, 1898, by the Associated Press. SAN JUAN, Porto Rico, Sept. 26.-The imerican commissioners to arrange for minently successful in their dealings guage. Those who had rawned upon the he evacuation of Porto Rico have been with the Spanish commissioners, and it believed that within three weeks at the furthest the last of the Spanish troops will have salled for home and the stars and stripes will be unfuried over San-Juan. Their mission has been accompliahed without friction. More or less, trouble was anticipated at the outset, but to Spein meant heavy reduction in setarles our commissioners have been agreeably surprised at the frankness and candor the Spanish commissioners have displayed

existed for a time near Accous in the center of the island. About 200 brigands, many of them said be convicts released by the American authorities at Ponce and others, it is said, rom Hayti, with their headquarters in the heart of the mountains, pillaged and rav-

aged the country during the interregnum There were also disturbances at Pajardo, when the Spanish troops left; All things considered, it is remarkable more lives were not sacrificed. Undoubtedly every precaution was taken, as soon

as the commissioners had arrived at the main conclusion to reduce the danger of disorder to a minimum. The neutral zone between the lines was wiped out and our soldiers and the Spanish were permitted while in pursuit of depredators, to enter Spaniards in their concentrating moveentered a Spanish town or position, by the

arrived at San Juan the native Porto kicans have deluged them with stories of alleged Spanish cruelty to carry off plunder which properly belongs to the sland. Some of the natives for a considerable time devoted themselves to fertinued to assume that the Spanish were proceeding in perfectly good faith, although they had their own means of ascertaining exactly what was going on One of the alleged reports the Porto Ricans were especially exercised over was that the Spanish proposed to take with tnem to Spain some \$400,000 from the vaults of the Banco Espanol, and various trust funds which, it was claimed, properly belonged to the people of the island, he commissioners thought it was time chough to consider these matters when the alleged trust funds were taken. The Porto Ricans also affirmed that fine paintings and other treasure were being moved rom the palace and various other public buildings, and, as these works of art had een paid for by taxes collected in the sland, the commission should see that they remained. It is doubtless true that some or the most valuable art treasures in the island were removed, but our commissioners decided not to raise objections. To have protested would have created more trouble than the articles removed were worth, and, besides, something of

this sort was to be expected. ndications are that in three weeks at most General Macias will relinquish cor trol of the last foot of territory. A fitting cele-ration is being arranged for the ocasion of the flag-raising at San Juan Both the naval and military forces will participate. In case General Macias will ecept, it is probable that a dinner or reeption will be given in his honor by the

GENERATED IN THE HUMAN BODY The Result of Imperfect Digestion of Food.

Every living thing, plant or animal, contains within itself the germs of certain

decay and death. In the human body these germs of disease and death walled by scientists Ptofect digestion of food, the result of indi-

gestion or dyspepsia, The stomach from abuse, weakness, does not thoroughly and promptly digest the food. The result is a heavy, sodden mass, which ferments (the first process of decay) poisoning the blood, making it thin, weak and tacking in red corpuscles; potsoning the brain, causing headache and

pain in the eyes. Bad digestion irritates the heart, causing of this very important organ.

Poor digestion poisons the kidneys, causing Bright's disease and disbetes. And this is so because every organ every nerve, depends upon the stomach alone for nourishment and renewal, and weak digestion shows itself not only in loss of appelite ad fiesh, but in weak nerves and muddy complexion.

The great English scientist. Huxley, said the best start in life is a sound stomach. Weak stomachs fall to digest food properly, because they lack the proper quantity of digestive acids (lactic and indigestion, is to take after each meal one or two of Stuart's Dyspepsia Tablets, stomachs lack.

The regular use of Stuart's Dyspeps Tablets will cure every form of stomatrouble except cancer of the stomach They increase flesh, insure pure blood strong nerves, a bright eye and clea complexion, because all these result only from wholesome food well digested. Nearly all druggists sell Stuart's Dys pepsia Tablets at 50 cents full sized pack-

age or by mail by enclosing price to druggist first. A little book on stomach diseases mailed free. Address Stuart Co., Mar- Vegetable shall, Mich.
