point at Astoria. Among other plans it has devised to further this object has been that of holdit. But it is not like the Astoria Progressive Commercial Association to take its ands off the plow after it once puts them to it; and so it will be with its project of holding a wheat-growers' congress. ing of the Push Club, as a representative States District Judge Hawley. of the wheat-growers of Walla Walla and that vicinity, to discuss with them ways and means for the immediate storage and

THE EXCELLENCE OF SYRUP OF FIGS

is due not only to the originality and

aimplicity of the combination, but also

to the care and skill with which it is

manufactured by scientific processes

known to the CALIFORNIA FIG SYRUP

Co. only, and we wish to impress upon

all the importance of purchasing the

true and original remedy. As the

genuine Syrup of Figs is manufactured

by the CALIFORNIA Fie SYRUP Co.

only, a knowledge of that fact will

assist one in avoiding the worthless

imitations manufactured by other par-

ties. The high standing of the CALI-

FORMA FIG SYRUP Co. with the medi-

cal profession, and the satisfaction

which the genuine Syrup of Figs has

given to millions of families, makes

the name of the Company a guaranty

of the excellence of its remedy. It is

far in advance of all other laxatives,

as it acts on the kidneys, liver and

bowels without irritating or weaken-

ing them, and it does not gripe nor

nauseate. In order to get its beneficial

effects, please remember the name of

CALIFORNIA FIG SYRUP CO.

SAN FRANCISCO, Cal.

complished more for Astoria's real pros-

perity during its brief existence than any

ommercial organization in the city's

previous history; It is characteristic of

the men-young men-who compose this

energetic body that, while others are con-

tent to advise, suggest, and otherwise

'talk" the Astoria proposition, they have

been quietly, unobtrusively, but persist-

ently "working" for the good of the city.

An immense deal has been done by then by this method, of which the general pub-

lie has never heard and possibly may

facts and figures in directions where they

were calculated to do the most good, it

upon the inland producer and the state

of Oregon at large of a common railway

never give them credit for.

ultimate shipment at Astoria of a large quantity of this season's wheat. Mr. West if a very intelligent man, and evidently thoroughly posted on the common point question. He says the producers of the Inland Empire are determined to emancipate themselves from the oppression and extortion of the Portland tion companies. He says they real se that bring their product to deep water, and is getting rich off the earnings of the farmers; that no reason exists why the farmer should have to contribute two tolls on the same transportation line in order to

get his produce to market. "The O. R. & N. is now charging more than one-third larger rates for taking wheat to Portland than is received by the We must reduce stock and Northern Pacific over its mountain route into Seattle and with this further difference that, after the wheat reaches Puget sound, although it is still a long distance from the open ocean, it is on deep water, and nothing further is exacted for its ransportation on any railroad.

"But," Mr. West says, "the situation with the O. R. & N. is very different. When the wheat reaches Portland it is still more than 106 miles from the ocean. and another tariff must be paid the same

ceive for it in Liverpool and San Francis- refunded. co has built up immense fortunes for a few men in Portland. With a common soint at Astoria wheat would bring almost, if not quite, the same price nor received in San Francisco. It is the farmshowed that only five of the legislators who had not supported Corbett transloaded in the deepest draft ships right at at present commands the Second brigad ferred their votes to Simon, and that the the ocean. With a common point at As-Mitchellites stuck to the men of their toria practically the entire crop of the choice. It was contended by some that Inland Empire would be shipped from Simon and Fulton had arrived at an Simon and Fulton had arrived at an understanding, the latter agreeing to support the former upon the negroing to support the negroing the negroing to support the negroing port the former upon the promise that he of the Columbia and saved the long voywould be elected to succeed McBride. age up the stormy coast of Washington

and the expense of pilotage and towage "Astoria harbor would be thus crowned with ships and their competition with each other would result in forcing charter early boyhood, and had fished on the dacy; the 41 members who voted for him river several seasons. Ryan had quite a being but five more than Mr. Corbett's rates down to the lowest figures. Every penny so saved would go to enhance the price paid to the farmers."
