

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also

to the care and skill with which it is manufactured by scientific processes known to the California Fig Symp. Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrap of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALI-FORMIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the pame of the Company -

YELLOW JACK NOT PREVALENT

Establishment of a Quarantine Against Infected Ports Now Being Considered.

THE DEATH RATE IS SMALL

Excellent Result of Sanitary Measures Is stituted by Lawton and Wood-The Camp Site Board.

orrespondence of the Associated Press SANTIAGO DE CUBA, Oct. 2-Generals Lawton and Wood are seriously considering the advisability of establishing quarantine against vessels coming here from infected ports, as they claim that for its size Santiago is one of the healthi-

est ports in the West Indies. There is absolutely no yellow fever, and of the non-arrival of Lieutenant Peary's control and General Lawton does not now due on her return from Sheradd think it right to have his healthy men Oscorne Plord, west of Greenland, where subjected to contagion from strangers it was planned that she should land Lieuming from infected ports.

in the main of people who have been which accompanied the Windward as far brought to the verge of starvation, who north as Littleton Island, that he exhave lived in an atmosphere of fifth and pected to bring the Windward back about robbery." bad smells where every effort has been the first week in October, sheradd Osput forth apparently by the authorities to borne Ford is about 200 muss further breed, and every man you meet looks as north than Lieutenant Peary's previous though he had but a few days more to anchorages. On August 13 he was at neck of a bottle, it is wonderful to think that the death rate can be so low, and this condition speaks volumes for the sanitary orders enforced by General

CAMP SITE BOARD.

HAVANA, Oct. 12.-Lieutenant Colonel Livermore, of the corps of engineers, and ham at the Duke of York's theater. Colonel George E. Waring, jr., with the members of the U. S. board appointed to Miss Evelyn Milward and Herbert Warbok after camp sites in Cubs, are expected today by the Plant line steamer Mascotte. They will occupy apartments

at the hotel Pasaje. The commission will visit the number of proposed sites for camps, notably along papers refer in terms of the highest the stretch of hills on the other side of the Cabanas, which are likely to be favorably considered, as they are dry and healthful, with a good water supply, in rative and can only be regarded as a which most of their suggested locations

are deficient. Cantain Hart, interpreter to the United States evacuation commissioners, delivered several documents to the Spanish mmissioners, among which was one, it is reported, calling attention to the very small number of troops evacuating the island in steamers sailing from Havana

The Scorplon went with Captain Foraker and Lieutenant Wade to Mariel, in from the United States to take their the province of Pinar del Rio, to report as places. He predicts that the sick rate to the sanitary conditions there, the will equal that of the present troops in BOSTON. Mass. Oct. 12.-The gunboat state of the garrison and forts and post.
