would be better if us of the ailments peculiar to women took place twenty years earlier in life. If a little of the prudery of mod-ern society were banished, so that young women talked these subjects over among themselves, there would be less suffering among women in middle life.

Good health is the best endowment that human being can have. Good general sealth among women is largely dependent spon good local health in a woman'y way ough ignorance and neglect it has be feminine organism, that many women have come to look upon these troubles as an unavoidable inheritance. This is a mis-take. All troubles of this nature may be cured in the privacy of the home, without undergoing the obnoxious "examinations" and "local treatment" insisted upon by the average physician. Dr. Pierce's Fa vorite Prescription gives health, clastic strength and vitality to the sensitive organs concerned. It was inflammation, heals ulceration an a from pain. It tones the nerves and adds up the nerve centers. It makes a woman healthy and strong, and thus prepares her for healthy wifehood, capable motherhood and a safe transition at the change of life.

"I want to testify to the great benefit derived from using Dr. Pierce's Pavorite Prescription, "writes Mrs. H. Mason, of Strykersville, Wyoming Co. N. Y. "I commenced using it about three months before confinement. With my former confinement I suffered greatly, while this one wis comparatively easy owing to the use of the 'Favorite Prescription."
