These estimates concede to the democrats all the congressional districts in Greater New York, except one.

Of 11,964 votes counted in San Francisco Gage gets 6,189 and Maguire 5775. If the ratio is maintained Gage will carry the city by 4478.

Ten precincts from seven countles give Gage 140, Maguire 134. The same precincts gave McKinley 119, Bryan 188. In 16 precincts in 12 counties of Callfornia outside of San Francisco Gage has

THE PRANCE. LINCOLN, Nov. 8.—Scattering precinct returns to midnight tadicate a political

surprise in Nebraska, as they forecast the almost certain election of Hayward, republican, for governor, by a plurality of not less than 3000. This will be a reversal of the verdict of 1898 by nearly 15,000, The

BOSTON, Nov. &-The republicans have again carried Massachusetts and elected well as the entire state ticket by a safe majority. Wolcott's plurality over Bruce is about 70,000.

TOPEKA, Nov. 8-At midnight Chairman Albaurh, of the republican state committee, claims the state for Stanley, epublican, for governor by 5,000, and Chairman Riddle, of the fusion committee, claims the state for Leedy, by 11,000.
